on apartment sites, were opened during Tuesday's meeting and referred to the Chicago office for final approval.

Three proposals were received for exterior painting — Ryan Painting Co., Granite City, \$3394; Arthur D. Roseman Painting Co., Granite City, \$11,733; and Hartman & Walsh Painting Co., St. Louis, \$13,383.

Four bids were received for interior painting. Morgan complained the bids were submitted in accordance with apartment sizes since the painting will be done as units are vacated or become available.

Ryan Painting Co. again was the apparent low bidder, with prices ranging from \$47.50 for a one-bedroom unit to \$100 for a four-bedroom apartment.

Other bidders were—Roseman, \$178 to \$278; Covas Painting Co., Granite City, \$110 to \$180; and Modern Painting Co., Granite City, \$112 to \$135.

Authorization was given for Morgan and Samuel Fraley, chief of maintenance at the project, to attend a materials and planning meeting to be held in Chicago May 23-24.

House Moved To Give Cohen's More Parking

The second house within a year has been moved from its foundation across the street from Cohen's Market at 2301 Illinois avenue in front of the store to enlarge the customer parking area.

The house, which was located at 2308 Illinois, was moved Tuesday to Ohio avenue and West 25th street where it will be occupied by new owners. Cohen's store purchased the lot and the building and in turn sold the structure. A smaller house at the rear of the lot is being torn down.

When this work is completed, the lot and the space provided by last year's move, will be paved and lighted to accommodate 125 cars. The present parking lot can handle 40 cars, according to a store spokesman.

The expanded parking lot is part of an overall enlargement program of the store. As soon as the lot is finished, the store itself will be expanded to the rear by 3500 square feet.

To meet the needs of the enlarged store, a large storage freezer was recently installed.

State Approves Madison Avenue Resolution

The Illinois division of highways has approved the Madison city council setting the specifications of the Madison avenue improvement project, it was announced at the council's meeting Tuesday night. A letter was received from R. R. Bartlesmeyer, chief state highway engineer.

Alderman John Bricker served as chairman of the meeting in the absence of Mayor Stephen Maerz, who was out of town. The Madison avenue project, costing an estimated \$234,000, provides for widening of the street from 56 to 64 feet, with a four-foot island installed in the middle. The state will pay 75% of the cost except for overhead crossing signals and removal of utility poles and lines.

Falsely Reported Charged

Fred Novosel, 18, of 1025 McCambridge avenue, Neale, Rappist, 16, of 2122 Lincoln avenue were charged by Madison police at 9 p.m. Tuesday with making a false report of a Jan. 22 auto accident. Police allege that Rappist was driving instead of Novosel. They posted driver's licenses and were released until Friday.

Inquest Pending

No inquest had been set on Edward Chinault, 25, of Collinsville, a Granite City Steel Co. employee killed Sunday by a load of steel sheets on a barge at the Chain of Rocks Canal harbor. Funeral services were held in Collinsville for the 1951 high school football player, whose survivors include his wife, Barbara, and a son, Michael Edward.

Autos Collide

Involved in an accident yesterday afternoon at Niedringhaus avenue and Iowa streets were autos driven by Paul E. Kester, 29, of 2909 Buxton avenue, and Anna Bienenick, 38, of 2140 Iowa street. Police said Kester was going south on Iowa, while the Bienenick auto was traveling north and making a left turn.

Madison Band In Contest

The Madison grade school band will take part in band judging Saturday in Belleville sponsored by the Illinois Grade School Band Association's Southern Division. The Central Junior high band also qualified but will not participate. Judges will include Louis Meek, Granite City band director.

Faces Two Charges

Stanley Kamadulski, 22, of Nashville, who was arrested at 20th and Adams streets yesterday afternoon by Granite City police, was charged with passing at a railroad crossing and passing railroad crossing gates. He posted his driver's license as bond.

80 Participate In Local Civil Defense Exercise

Granite City was not subject to "damage" and was not located within the pattern of "fall-out" of the only theoretical nuclear explosion in this area during the practice Civil Defense alert here Tuesday and Wednesday, but CD personnel who took part in the exercise had their hands full nevertheless.

Theoretical problems posed to the more than 80 persons first alerted as possible "enemy attack" at noon Tuesday included the evacuation of St. Elizabeth Hospital, a check with public and parochial schools as to how they would function after radio-active fallout, patrol by boats of the Chain of Rocks canal to prevent fifth column activity, the "chain of command" in local government should high officials have been wounded or killed in a bomb blast or missile strike, and sabotage preventive measures at key locations in the area.

Termed "Satisfactory"

The local exercise was termed "satisfactory" during a critique held at the Venice-Madison American Legion Hall following the exercise, although "a few" were successful in slipping through CD auxiliary police lines to "blow up" a power sub-station and 19th street and Grand avenue and the Granite City water works pumping station.

Explorers Scouts from Post 46, under the direction of Wallace Orr, were successful in "destroying" the two installations, using "explosives" to represent explosives.

At the critique it was pointed out by Theodore Todoroff, a local CD deputy director, that the main purpose of the exercise was to locate such weak points so that CD may bolster them in case of real emergency.

Control Center Manned

Civilian Defense personnel were first alerted at 1 p.m. Tuesday when an "attack warning" was issued. A half-hour later the "take cover" signal was issued, but CD activities here did not begin in earnest until 6 p.m., although the local CD control center at the Egyptian Radio Club became operational at noon Tuesday to monitor Conelrad and other radio signals.

All CD deputy directors reported to the radio club control center at 6 p.m., where they received instructions. The control center itself was manned all night Tuesday, and at 10:33 p.m. received word of a "ten megaton strike" occurring over Florida, Mo.

Part Of Nationwide Alert

In the theoretical problem, part of a nationwide CD alert with the code name "OPAL 60," the CD staff were also active on Tuesday, and at 10:33 p.m. received word of a "ten megaton strike" occurring over Florida, Mo.

Local CD radio personnel plotted the path of the cloud and its progress toward Chicago, and their calculations proved to be the same as those released by state CD headquarters. The only "atomic explosion" in Illinois was near Chicago, but national

CD headquarters also staged heavy mock raids in Ohio and put three boats into either end of the Chain of Rocks canal to patrol the canal and prevent possible sabotage to the canal locks and were successful in communications personnel and the CD staff were also active on Tuesday night.

Warriors Nip East St. Louis Lincoln, 2-1

Granite City's baseball team, hampered by hitting in recent games, went through extensive batting drills under the direction of Coach Joe Fedora yesterday and today in an attempt to regain some of the power the Warriors displayed earlier in the year. Tomorrow, the Redmen will host Alton prior to entering the Madison district tournament Monday.

Granite City again was weak at the plate Tuesday afternoon, but managed to nose out Lincoln

of East St. Louis 2-1 on the losers' diamond. The Warriors have scored only four runs in the last three games, compared to 65 runs in five games during the early season 10-game winning streak.

Four hits were utilized by Fedora's nine to turn the trick against the Tigers. The Warriors scored a run in the fourth and the winning run in the sixth, when Dave Spario singled in Dan Clatts.

Lincoln scored its only run off starter John Rains in the last of the seventh with the aid of Granite City's two errors. Rains allowed seven hits while striking out eight Lincoln batters.

"Our hitting is just not satisfactory," Fedora said after the game. "I don't know whether we're stale or not. I've tried to prevent that by mixing up my drills so that nothing would be boring or routine."

Granite City Scores 12½ Points, Madison One In County Track Meet

Alton ran off with the Madison county track meet at Wood River Tuesday night by gaining nine of 14 firsts and setting two records enroute to scoring 120 points. Granite City and Madison, scored 12½ points and one point.

Edwardsville was second with 38 points, followed by Collinsville with 31, Wood River 30½, Roxana 25 and Western Illinois 20, with Highland, Bealto and Triad failing to score.

Collinsville's Bogie Redmon set record in the discus with one of the longest throws recorded in the state this year. His distance of 165½, topped a record of 154-7 held jointly by athletes from Wood River and Collinsville since 1957.

Tony Penelton of Edwardsville high jumped 6-1¼ for a new record, breaking the old mark of 6-0 set in 1951 by Wood River jumper, Alton set records in the 880 and mile relays. The Redbirds' time in 1:31.2 in the 880 topped a mark

of 1:34.1 set by Roxana in 1954, and the mile time of 3:32.4 broke a record of 3:33.3 set by Madison in 1955.

Granite City scored points with a third in the high jump and five fourths. David Davis placed 5-8 to gain a third in the high jump, and ran the 180 hurdles in 2:09 to take fourth in the 180 yard dash. The Warriors' time of 20.4, John Grobolski placed fourth in the pole vault with a leap of 40-6, compared to the winning vault of 11-4.

Leonard Barron had his best shot put mark of the year, but his distance of 46-5 was good for only fourth behind the winning throw of 50-7½. The Warrior 880 relay team of Richard Love, John Allen, Lee Barclay and Ken Davis was fourth in 1:38.8, and the mile relay team of Bob Summers, Ronald Rupp, David Davis and Fred Hacke was fourth in 3:39.1.

Carl Drayton of Alton set a record with a fifth place in the 100 yard dash in an estimated time of 10.8 seconds.

Warrior JV's Come From Behind To Win In Extra Innings

Granite City's junior varsity baseball team came from six runs behind to tie the game and then won in extra innings, 7-6 at East St. Louis Tuesday afternoon.

The Flyers hit starting pitcher Larry Corey, for six runs on five hits in the first three innings. Tim Strand and Larry Peppers finished the contest and allowed four hits.

Reynold Brumleve's nine started its uphill climb in the top of the fourth inning when he drove the Warriors two runs on only one hit. Larry Melton drove in the only run in the fifth inning after the Flyer pitcher again advanced runners to scoring positions with a walk and a wild pitch.

Granite City added two more in the sixth with the help of two straight errors, two walks and a single, and tied the game in the top of the seventh as Steve Schardan blasted a home run over the fielder's head.

The first extra inning was scoreless. Then in the ninth, Gary Coppedge scored the winning run. He walked, stole second, went to third on a sacrifice and scored on an error by the second baseman. The Flyers went down in order in the last of the ninth.

The losers committed six errors, three allowing Granite City runs to score. The Warriors made four errors but only one gave away a run.

Granite City had six hits and 10 walks, and East St. Louis nine hits and seven walks. The Warrior pitchers struck out 12 Flyer hitters, and the same number of East St. Louis hurlers struck out 13 Warriors.

Synchronized Swimming For Women At YMCA

Synchronized swimming classes for women are to be offered in a one-month course which will begin at the YMCA pool Monday evening. Mrs. Lee Pfaff, women's department director, said today. Group movements and formations are planned.

Open to women 18 years of age and older who have had some swimming experience, the classes will be taught by Mrs. Jo Ann Watson of Highland. The course will be taught from 8:30 p.m. to 9:30 p.m. Mondays through May 30. Cost is \$3.50. Additional information may be obtained by contacting the YMCA.

Two Teams Remain In Church League Playoff

In the second round of a post-season elimination tournament being conducted by the Tri-City Church bowling league, Dewey Avenue Methodist Church defeated St. Peter Evangelical and Reformed Church 2-1 and Nannock Presbyterian downed Madison Presbyterian by the same margin. The games were rolled Monday night at Bowland.

Claude Poole was the evening's top roller with games of 212 and 210 in a 610 series. Dewey and Nannock Presbyterian will meet next Monday night to determine the winner of the league's traveling trophy.

Bob Hoffek Spiked In GCNS Baseball Game

Granite City's first baseman, Bob Hoffek, was spiked on the right hand as he tried to field a low throw near the base path in Monday afternoon's contest at East St. Louis. The Warriors lost 1-0.

The 16-year-old son of Mr. and Mrs. Rudolph Hoffek, 2500 Lynch avenue, sat out the rest of the game but waited until the team returned to Granite City before he went to St. Elizabeth Hospital to receive emergency treatment. The wound was cleaned and dressed.

In other emergency cases treated at the hospital, Robert Hill, 4, son of Mr. and Mrs. Harold Hill, 2312 O'Hare avenue, who suffered a fracture wound in his right knee when he ran into a nail while playing, received a tetanus shot and the wound was dressed, while George Morgan, 4, son of Mr. and Mrs. Robert Morgan, 65 Grenzer, who fractured his right forearm in a fall while playing, had a cast applied.

Coolidge 9th Grade Track Squad Loses To Alton School

An Alton squad handed Coolidge's ninth grade track squad a 54-50 defeat here Tuesday.

Coolidge had seven firsts to only five for Alton. The high school of Alton. But the visitors picked up seven seconds and eight thirds to gain the necessary points for victory.

First for Coolidge were by Dennis Petroff in the 190 low hurdles, 17:0; Bill Lancaster, 22:0; Jim Cant, high jumper, 5:0; Bill Ashby, pole vault, 8:6; Larry Wortham, shot put, 42:2; Larry Noblin, discus, 100-8½ and the 880 relay team of Wortham, Lancaster, Petroff and Tom Vanleif, 1:45:7.

The Braves took second in the 50 and 100-yard dashes, 44:0, and broad jump, and third in the 200 and 440 yard dashes.

Wednesday's meet at Wood River was canceled due to rain.

Coolidge Rained Out

Coolidge's baseball team was unable to play two scheduled games Tuesday night at Wood River. The game with Bethalto was called off by mutual agreement and Wednesday's game with Chokolia was rained out.

Highland Uses Big First Inning To Defeat Madison In MWC Game, 6-4

Highland batters smashed six solid hits, good for five runs off Madison's pitcher, starter Frank Hiedig in the first inning of a Midwestern Conference baseball game in Madison yesterday afternoon, and made the early lead stand up for a 6-4 win in the first round district elimination game in Madison.

The loss was the Trojans' seventh in 13 starts, and was probably the last game of the season for Francis Daniel's team, since the wrap-up contest with Assumption of East St. Louis here this afternoon has been canceled due to wet grounds and will be rescheduled.

Relief hurler Dan Tripps came on for Madison in the second inning and gave up only two hits and one unearned run in the six innings he worked, gaining the position of likely starter when Madison faces Granite City Monday in a first round district elimination game in Madison.

Don Murray went all the way for Highland, which had lost 13-9 to the Trojans earlier. Murray gave up only five hits, one of them a two-out triple by Hiedig in the seventh. The Madison starter went to the outfield after being lifted for Tripps, and scored the Trojans' final run in the seventh on one of four Highland errors.

Dick Wehrle struck a big blow for the Bulldogs in the first when he tripled with one mate aboard. The five other first-inning hits were singles.

The Hubtowners got back into the game in the home half of the fifth on an error, singles by Trotter, Dan Hrysko and Hiedig and a walk by Murray, good for three runs.

Amended Petition On Tax Injunction Stay

A request to intervene as a co-plaintiff was made this week by Roger Kibbe of Wood River in an amended petition on Anthony W. Daly's circuit tax injunction suit. Kibbe asked that the city of Wood River and the Wood River tax collector be included as defendants.

Daly has filed an amended petition naming Madison county, the city of Alton and County Clerk Eulalia Hotz as defendants in addition to County Treasurer Dan McGee and the Alton tax collector, Edward D. Grochong. Ed Easton and William Hale of Granite City have asked court permission to intervene as plaintiffs.

Treated At Hospital

David Rekowksi, nine-month-old son of Mr. and Mrs. Eugene Rekowksi, 2208 Miracle avenue, and Mrs. Emma Aufderheide, 58, 1557 Benton avenue, were treated at St. Elizabeth Hospital Wednesday for cuts they suffered in minor mishaps. David cut his forehead when he fell off a living room couch and hit a coffee table at 6 p.m., and Mrs. Aufderheide cut her left hand on a broken coffee cup shortly after 9 p.m.

Devils Top Bunker Hill, Livingston In Track Meet, 3 Firsts For Hand

Venice high school swept the pole vault and discus events and got three first place efforts from Clarence Hand yesterday afternoon in Livingston as the Red Devils finished first in the triangular track meet with the host school and Bunker Hill.

Times, distances and heights in the meet were mostly unimpressive due to a very wet and heavy track. Three events—the shot, junior relay and senior relay—were rained out completely.

Final point totals showed Zahn Wells' team with 40, Bunker Hill 32 and Livingston 18. Red Devil athletes swept to wins in six of the 10 track and field events that meet officials were able to run off, and picked up all the marbles in the pole vault, where Woody Moad finished first, Larry Gray second and Norman Campbell third.

Hand, who set two conference marks in last week's MWC meet in Venice, again took top honors in his three favorite events, the 100 and 220-yard dashes and broad jump. He finished second in the discus toss and totaled 16 points, an individual high for the meet.

John Corrie gave Venice a near clean sweep of the discus event by finishing first, and Harold Kolkner picked up the Devils' sixth blue ribbon in the 440-yard dash. Corrie had a second place in the high jump to go with his first in the discus, and finished with eight points. Venice now has a 2-0 record in dual and triangle competition this season, plus a third-place finish in the conference meet.

Fifth Business Education Room Planned At GCHS

Creation of an additional business education room at Granite City high school was approved by the Granite City school board Tuesday night. The project, intended to alleviate overcrowding in the business classes, is to cost under \$4000, or less than two-thirds of the cost of setting up an entirely new typing room.

The room will be established in Room 227, previously used for the same purpose before an expansion resulted in a move to larger quarters on the same floor.

Room 227 already is wired for business machines. Administrative Assistant Victor G. Anderson reported to the board.

Enrollment Increase
At present there are three manual typing rooms with 113 machines and one room equipped with 27 electric typewriters and miscellaneous office machines. Fall 1960 enrollment figures, listing 1241 pupils, indicate that this would be an insufficient number for regular classes, as well as jeopardizing practice periods.

The plan approved by the board calls for using the present combination electric typewriter and office machine room for advanced typing and secretarial training only. A separate room will be established for clerical practice classes presently held in the office machines room.

The change is expected to result in more complete utilization of present electrical equipment, as well as providing adequate typing stations for several years to come.

Additional equipment will include seven electric typewriters from the IBM Corp., \$2340; a rotary calculator from the Monroe Co., \$695; and a rotary calculator from Merchant Calculators, \$325.

Approve Park Program
The board approved the Granite City park district's request to use the Logan, Emerson, McKinley, Marshall and Nankin schools and the schools and Nankin school for its summer recreation program June 13-August 3. Liability insurance will be required.

"The program is being shortened from nine weeks to eight weeks this year, which will enable (Recreation Director Harold Brown) to hire more qualified people to work with the children," Park Secretary Frank Rea informed the board. "It is planned to hire as many school teachers for these jobs as possible. This, it is hoped, will correct the problem of some janitors in the buildings may have had last year."

The board also authorized installation of a softball field on Mitchell school grounds by the Faith Chapel General Baptist Church provided that safety standards are met in installing the backstop. The equipment will become the property of the school, the church reported.

Band, Wood Equipment
Acting on bids on equipment for the district's instrumental and vocal music programs, the board authorized purchases of \$5539, including \$3580 from Johnson's Music, \$271 from Lyons Band Instrument Co., \$239 from Ludwig Music, \$239 from Baldwin Piano, \$107 from Interstate Supply, \$54 fitting needs at school exhibit, \$21 from Pashade Music House, \$12 from St. Louis Band Instrument and \$11 from Whitney's.

The purchase will provide for a starting band at the West 25th street junior high school.

The board accepted a low bid of \$1519 from North American Mould Products Co. on treat-

RICH FERTILIZER for Granite City park district gardens, in the form of natural organic compost, is loaded aboard trucks at 22nd street and railroad tracks. At right are J. C. Cochran, who donated the compost after giving up a fertilizer business here, and O. H. Williams, park superintendent.

Park Receives 110 Tons of Compost

About 110 tons of natural organic compost has been given to the Granite City park district by local realtor J. C. Cochran, and Park Supt. O. H. Williams said today that park employees will begin immediately the spreading of the rich fertilizer on flower beds and around trees in the park.

The compost, made up of potash, phosphorus, nitrogen and mineral elements, was valued at about \$8000 in bags by Cochran, who recently dissolved a fertilizer business to devote full time to his real estate firm.

The compost was transported from 22nd street and railroad tracks to be stockpiled near the Wilson Park garage. Williams said it can also be put to excellent use also around shrubs and plants not located in the park gardens. The material was loaded and transported by employees of the Ed Barker Trucking Service and Seebold Trucking and Excavating.

Baptist Mission School Will Begin Sunday

Meadow Heights Baptist Church of Madison County Baptist Association is to be held to 24 churches from May 8 through May 13 at a "School of Missions" in the Collinsville church. A mission rally will be held at 2 p.m. Sunday at Winstanley Church, including a number from this community, with 12 foreign missionaries, and 21 home and state missionaries participating in the programs for the week.

Home missions study books are to be taught at Meadow Heights church for 40 minutes each evening at 7:30 o'clock for all age groups, followed by messages by the visiting missionaries in the various cooperating churches.

Speaking in Meadow Heights Church Sunday morning will be Rev. John Ditzig of Louisiana and in the evening William Arnold, missionary to Ghana, Monday through Friday evenings will be Rev. D. H. Smith of Peoria, associational minister to the Oklahoma Indians; Rev. Charles Everett, state missionary and Miss Elizabeth Newman of the East St. Louis Goodwill Center.

ment of school boilers, and awarding of equipment valued by 250 to 300 library books to Heckman Bindery of Indiana on its low bid ranging from \$120 to \$220 on books of varying sizes. A low bid of \$108 on a Model 900 Polaroid camera was accepted from Graham's Bookstore. The camera will be used to show students and school exhibits to board members and administrators, as well as aiding in inclusion of photographs on personnel records.

Bids are to be tabulated on craft tool supplies for industrial arts instruction, cheerleader outfits, library book binding, school yearbooks, industrial arts equipment and backstop work.

20-Year Service Pins Go To 18 At Union Starch

Twenty-year service pins were presented to 18 employees of the Union Starch & Refining Co. Wednesday morning by John McBride, vice-president and general manager.

The presentation was held in the company's training room with Maynard Davidson, purchasing director, and E. D. Kincaid, personnel director, attending in addition to the honored employees and McBride.

Employees who received 20-year service pins were: Steve Spach, 3309 Davis avenue; Patrick Carson, 2606 Jenden avenue; John Distas, 2133 Harrison avenue; Charles R. Marriage License Issued
A marriage license has been issued in St. Louis to Milton D. Downs of Granite City and Mary L. Nicolay of St. Louis.

The marriage ceremony will be conducted at the local Knights of Columbus Home, 2052 Edison avenue, beginning at 8 p.m., county chairman Steve Saltschick said.

Winners and runners-up from local council sprints held last week in Alton, Bethalto, Collinsville, Edwardsville, Highland and Wood River will be among competitors for the county title tomorrow.

Japanese Tea
Junior Royal Ambassadors met Tuesday at the Baptist Church for a Mother's Day tea. A Japanese theme prevailed, and the group sat on cushions at low tables. Each member presented to his mother a rose made in Japan, and Japanese music was played.

Gene Richardson told of missionary work in Japan and Bob Lewis reported on plans for R.A.'s to attend a camp in July. Present were Mrs. Mary Smith and son, Jimmy, Mrs. Mary Charlton and son, James, Mrs. Harold Gattung and son, Kenny, Mrs. Viola Hoffman and son, Paul, Robert and Joey Wallace, Gary Wigger, Dick Welch, Gary Lewis and Gary and Gail Lewis.

The Ruth Ford Circle of Second Baptist Church met Tuesday night with Mrs. Evelyn Smith, 2613 Cayuga street, Mrs. Elsie Sturdivant presided and gave the devotion, and Mrs. Maxine Dacus led the program, "Missionary Organizations."

Prayer for missionaries was led by Mrs. Naomi Rongey. Those taking part in the program were Mrs. Mary Charlton, Mrs. Evelyn Smith, Mrs. Maxine Dacus, and Mrs. Naomi Rongey.

Those taking part in the program were Mrs. Mary Charlton, Mrs. Evelyn Smith, Mrs. Maxine Dacus, and Mrs. Naomi Rongey.

It was decided to send Mother's Day greetings and to answer roll call with Bible verses. The June meeting will include a picnic supper at Wilson Park. The closing prayer was by Mrs. Dorothy Barnes.

Refreshments were served. Others present were Mesdames Roxie Sadler, Aline Phillips, Nina Pitchford, Georgia Mitchell, Gusta Pendleton, Juanita Cravens and Lena Stephens and two guests, Mrs. Mamie Stroud and Miss Irene Broadway.

The Second Baptist Church Young Women's Auxiliary met Tuesday evening with the leadership of Mrs. Mable Roberts, 2011 Monroe street. Miss Ruth Ann Showers presided and Mrs. Beulah Ruth Voorhes conducted a program, "A Light On The Great White Way."

Present were Misses Betty Richardson, Jo Marie Cook, Helen Mercer, Betty Rains, Starr Dine, Mildred Dacus, Wanda Lupardus, Wilma Cherry, Laveta Grote, Carol Miller, Loretta Shaver and Betty Hoffman. Refreshments were enjoyed, and plans were made to make part in community mission work. The next meeting will be at Wilson Park.

Primary Sunbeams, meeting Tuesday at Second Baptist Church, viewed Japanese pictures, books and lanterns and heard a story of a Sunbeam meeting in Japan. Missionary songs were sung, with prayer given by Mrs. Betty Lewis, Connie Wigger, Danny Penrod, Nancy Newberry and Joyce Bayaden.

A game was played by Cheryl Hancock, Richard Welby, Bruce Freeman, Debbie Bayaden, Donna Mills, Diane Olive, Kathy Wigger and visitors, Sandy Lane, Betty and James Kerfoot and Gary, Gail and Bob Lewis.

The Homemakers class held a monthly meeting this week at Second Baptist Church for Scripture reading and prayer by Mrs. Esther Showers. A business session was held, and games were played. Hostess was Mrs. Showers.

Others present were Mesdames Cathy Fox, Alma Burnett, Gloria Burnett, Gladys Murray, Jerree Laswell, Dollie King, Ruby Freeman, Helen Finkbeiner and Helen Wigger.

Scholarship Foundation Receiving Applications

The Granite City Scholarship Foundation is currently receiving applications for 1960 fall term college cash grants, Harry Wolff, president, said today.

Applications may be submitted to Miss Francis Lynch, chairman of the foundation's screening committee. Scholarship awards amount to \$400 each, and may be applied against college expenses at any school the student chooses to attend, Wolff said.

The foundation plans to award either four or five scholarships after the screening of applicants has been completed. The awards are based on scholastic record and the student's need.

Wolff said Granite City high school graduates, seniors and GCHS graduates who have already completed a portion of their college educations are eligible to apply for the cash grants.

Last year the Granite City Scholarship Foundation awarded four scholarships amounting to a total of \$1600.

State Police Accepting Job Applications

In a move to keep the Illinois state police force strength at 12,000 men, the police merit board has announced today that it will accept job applications from interested men between the ages of 21 and 35, until July 31. The starting salary is \$380 a month.

Applications may be sent to State Police Merit Board, Fifth Floor, Centennial Building, Springfield.

Motorist Arrested After Collision

A charge of failing to yield right-of-way was placed against Mrs. Harry Brandt, 19, of 1930a State street, following an accident Tuesday night on 20th street between State street and Grand avenue. She was released on a driver's license bond.

Police said Mrs. Brandt was driving north out of the alley and making a left turn when the collision occurred with an auto driven east on 20th street by Mike J. Mejski, 42, of 2328 Harding avenue. Mejski said he swerved to try to avoid the crash. No injuries were listed.

Joseph Katona, 73, Dies of Infirmities

Man Gives 64th Pint Of Blood Since 1938

Ronald Clare, 52, an employee of the Hub Drug store, has an unusual goal in life. He wants to give away 75 pints of blood in his lifetime.

The greatest part of his goal already has been accomplished, and Tuesday morning he gave his 64th pint since 1938. It was in that year that he first offered his 65th pint to St. Elizabeth Hospital.

"I started to give blood as part of my duty," Clare said. "Since I didn't serve in the army, I felt I was doing something to help the war effort."

Although money is offered to donors, Clare has received payment for his blood on only 18 of the 64 times. He has been averaging a donation every four months since 1938.

BISHOP HONORS SCOUTS

Bishop William A. O'Connor of Springfield presented the 184 Catholic Boy Scouts of the diocese in a ceremony held Sunday at the Cathedral of the Immaculate Conception. The cross is the highest award given to Catholic scouts and can be presented only on the authority of the bishop of the diocese. Preparation for the award involves six months to a year of concentrated effort.

Rev. James Shortall of Granite City was one of the assistants at the ceremony. Following the presentation, the scouts participated in the 15th annual midwest pilgrimage to Lincoln's Tomb, sponsored by the Springfield Boy Scout Council.

Boys from the Quad-City area receiving the cross were James Blankenship, Kenneth Brawley, Peter Carich, Michael Chandel, Paul Costello, Richard Haack, Lawrence Hoffke, John Jaros, James Krician, Stephen Leik, Francis McBride Jr., Joseph Nemeth, Martin Pereira, Paul Podraza, David Reinhardt, and James Wittevergel of St. Elizabeth parish; Troop 13: Harry Freeland, John Gallahan, Alan Gasparovic, Ben Hildebrand, Paul Lapinski, Michael Manning, Louis Miller, Thomas Mofsky, Fred North Jr. and Andrew Timko of St. Joseph parish; Troop Seven: Ronald Jensen, Paul Mills and Lawrence Nolte of Sacred Heart parish; Troop 18: and Gerald Carpenter, Peter and John Fields, Harold Kunkle Jr., John Koelker, Michael Loper, Joseph Mangiacchino and Frank Scaturro of the St. Mark's parish Post One.

Rev. Craig R. Dillman, pastor at the Venice Methodist Church, attended a gathering of teachers of the four institutes of the Southern Illinois Conference Monday at the Demaree Methodist Church in Centralia. Rev. Fred Beck of Alton was in charge of the program and Rev. Vernie Barnett of Granite City was in charge of one of the discussion groups.

A discussion was held on methods used in teaching intermediate groups. Approximately 40 ministers were present, and a dinner was served by ladies of the church. The institute will be held in Lebanon June 20-24.

Boy Scout Troop One met Monday evening at the scout home with Scoutmaster Harold Koelker. Following an opening ceremony by the Eagle patrol, the group discussed arrangements for a camporee to be held May 13-14-15 at Beaver State Park. The boys, attired in uniform, marched to a funeral home and returned to the scout home, where they received questionnaires to be filled out for activities at Camp Sunnen.

Boys of Troop One will attend the Camp July 10-16. Following the meeting, 10 boys from Explorer Post One also marched to the funeral home.

The speech class at the Academy of Notre Dame presented a three-act comedy, "Ann of Green Gables," during a matinee and evening performance Sunday in Belleville. Miss Myrna Regina Essenspreis, daughter of Mr. and Mrs. Maynard Essenspreis, 713 Broadway, was in charge of the make-up department and Miss Jo Ann Blumentstock, daughter of Mr. and Mrs. Lloyd Blumentstock, 1219 Oriole street, participated as a band member.

Court Vote Unchanged; Poll Judge Pay Increased

Canvass of votes cast in last Saturday's city court election was conducted Monday night by members of the Granite City Council who verified the election of Fred P. Schuman as city judge and Mrs. Helen Homan as clerk of the court. The official counts tallied Saturday night were unchanged.

Council members also voted to pay polling place judges \$25 for their work instead of the \$22.50 fee is paid by the county to polling place judges, and council members expressed opinions that city election judges should receive the same pay.

The canvass showed Schuman received 4450 votes, running ahead of the 3731 received by his opponent, Horace L. Calvo. The vote tallies for clerk candidates were Mrs. Homan, 3628; Mrs. Marilyn Ward, 3236; Marvin Tiedler, 595, and Al Ward Jr., 186.

Flag For Brownie Troop

Long Lake Amvets Post 187 will present an American flag to a Brownie Troop 51 in a ceremony at 4:30 p.m. Tuesday at the Anderson home, 2643 Circle drive. The presentation will be made by Fred Schmidt, adjutant, and Steve Hordesky, judge advocate.

SCOUT LEADERS MEET

Neighborhood Four of the Tri-City Girl Scout Council held their final meeting of the season Monday evening at Camp Lakota. Mr. Carl Carson, with the chairman Mrs. Mary Massman in charge, Mrs. Lucille Mossa, Mrs. Massman along with several mothers had taken in April to Springfield and New Salem. Mrs. Julie Barnes gave a report on the mother-daughter banquet held in April at Dunbar school.

Mrs. Zetta Mell of Madison was welcomed as a new leader and will be in charge of the intermediate group from the First Methodist Church in Madison. A guest for the evening was Mrs. Helen Santagato. Madison leaders, Misses Dorothy and Norma Hinson, Mrs. Mossa and Mrs. Sally Besworth, were hostesses for the evening and a barbeque dinner was served to 15 persons. The next meeting will be held in September, with Venice leaders as hostesses.

Intermediate Girl Scout Troop 42 met Tuesday afternoon at the Venice high school student lounge with the leader, Mrs. Nadine Meehan. Following the business meeting, a fly-up ceremony was held for Shirley Coggin, who received her scout pin. She will receive her "wings" at the next meeting. Girls attending were Gelinda Brown, Linda Fears, Gloria Corra, Carolyn Milton and a guest, Gelinda Brown.

Airman 2/c and Mrs. Richard Hillman and son, Richard, left Sunday evening for their home at Whiteman Air Force Base in Missouri after visiting over the weekend at the home of her parents, Mr. and Mrs. Ivan Bassen, 611 Washington avenue. They were enroute from Niles, O., where they had spent three weeks at the home of his parents, Mr. and Mrs. Frank Hillman.

Roca Club Hayride Saturday Night

Roca Club "sweethearts" club members and their dates will hold a hayride at 8 p.m. Saturday night, beginning at the Riggs farm on 10th road, club officers said at a Tuesday meeting of the young men's group. The hayride is one of two held during the year by the organization.

Four new members were elected to the Roca Club during the meeting. They are Harold Love, David Pahl, Bill Earning and Chris Geroff.

Union To Distribute Handbills At Hospital

Pamphlets and handbills relating to union organization of employees at St. Elizabeth Hospital are to be distributed door-to-door and in front of the hospital building, delegates at the Tri-City Trades & Labor Council meeting were told last night by representatives of the international union of Building Service Employees.

Edwin Rostak, president of the council, said the 50 delegates who met at the Labor Temple, were told an election is being sought and most of the hospital employees favor union representation.

At Youth Conference

Hugh Hairston of 801 Main street, Venice, is attending the 29th Annual Governor's Conference on Youth, and Community Service, being held today and tomorrow at the Pere Marquette Hotel in Peoria. Hairston, former conference delegate, said he is attending as a visitor only this year.

The delegates also agreed that in the future any candidate for public office wanting to speak before the council must make application to the council's Political Action committee and obtain approval. The committee is headed by Ted Moran of United Steelworkers 68.

200 Attend Mother-Daughter Party Given Tuesday By UPW

One of the largest of the Mother-Daughter parties was that attended by members of the United Presbyterian Women of First United Presbyterian Church and their guests Tuesday evening at the church, 22nd street and Delmar avenue.

Approximately 200 were seated for the 6:30 dinner served at tables decorated with iris, tulips, spruce and other spring flowers. Favors were spring "bonnets".

Flowers were used throughout the dining room and the meal was served by members of the Men's Council of the church.

Mrs. Roger Wade served as mistress of ceremonies, and Mrs. George Holtzsch, who took the place of the absent president, Mrs. James Fox, welcomed the guests and paid tribute to those responsible for the affair.

Alice Rodell, small daughter of Mrs. Charles Rodell, gave the response and the devotional service was by Mrs. Beryl Ny Susan West gave the tribute

Jr. GA Awards To Be Presented

Awards will be given to eight members of the Junior Girls Auxiliary of the Women's Missionary Union of First Baptist Church Sunday evening.

The program consisted of a vocal solo, "Songs My Mother Taught Me," by Mrs. William Ledbetter; a duet by Mrs. Ledbetter and daughter, Betty Ann; and a playlet entitled "Millie's Madness" written and narrated by Mrs. Sam Meyer.

Guests included Mrs. Norman Field, Mrs. William Lierman, Mrs. Jack Malone, Mrs. David Maxton, Mrs. Nyboer, Mrs. Lela Runk and Mrs. Ernest Veith.

Mrs. Otto Grosse entertained the group with candid slides of the UPW, and there was recognition of the mother whose birthday falls nearest to Mother's Day, Mrs. Yoss; the mother with the youngest child, Mrs. Howard Guenther, the youngest grandmother, Mrs. Lela Runk; the mother with the oldest grandchild, Mrs. Ida Moore; the youngest mother, Mrs. Wade, all of whom received gifts.

The meeting closed with the Mizpah benediction.

Madison School Bands In Concert Tonight

The Madison high school band will serve as "guest" instrumental group tonight when the Madison grade school band presents its annual spring concert at 8 o'clock in the Madison Junior high school gymnasium.

The concert is sponsored by the Madison Grade School Parents' Band Club and will be conducted by William Ledbetter, director of both the high school and grade school bands.

The grade school band will be heard in "Monarch March," "Concert Overture in G Minor," "Two Moons" overture, "No Name," and will feature trombone soloist Nick Podoba, who won a first superior rating in recent grade school instrumental soloist competition.

Numbers to be presented by the high school band include "Billboard March," "Chorus and Alleluia," "Caucasian Sketches" and the "Maiden Chorus" suite. The combined bands will conclude the program with a concert arrangement of "America the Beautiful."

Admission prices for the concert are 50 cents for adults and 25 cents for students.

Plans Made For Vacation School

Preliminary plans for the daily vacation Bible school at the Gospel Mission, 2014 East 20th street, were made Tuesday evening at the Mission and the theme chosen for the school was "Pioneering With Christ."

Teachers were selected for the various age groups and suggestions were made. Work will begin immediately for the school opening.

Mrs. Calvin Lazenby Jr. is chairman this year and teachers present were Modeline Skjerve, Womack, Joe Hildreth, Christy Hayes, Benjamin Frost, Beth J. Davis, Kate Skinner, Alice McQuinn, Archie Hogan, Woodward Fowler and Waldo Dannebrink, the latter from Belleville, Miss. Randee Mosley and Larry Hayes Mrs. Davis is superintendent.

Man, 22, Granted Parole

Donald McDermott, 22, Beckemeyer, Ill., convicted in May 1959 in the circus car burglary of the Boathouse tavern near Granite City, has been granted a parole effective May 8, the State Parole and Pardon Board announced this week. He was sentenced to a year to 18 months at the Menard prison.

Blue Census Forms Must Be Completed, Jung Urges

Granite City residents have been causing the census bureau headaches because many are refusing to answer the special blue forms which are sent out every fourth house during the first stage of the population count, according to Roland Jung, district supervisor of the census in the St. Clair and Madison county area.

"Quite a few people in the Granite City area believe they don't have to fill out these blue forms," Jung said. "Actually they are required to do so by law and are subject to fines up to \$100 or 60 days in jail for refusing."

Most of the refusals in the Quad-Cities are in the area from 24th street south to the Madison city limits, Jung said. The blue forms were given to every fourth house to find out more personal questions such as income, health, home heating facilities, etc., so the census bureau can learn trends on how American culture has changed in the past ten years.

The biggest objection seems to be the question about income, as individuals believe that by answering the questions their taxes will be raised. Income tax returns already have been filed and these blue forms are strictly confidential and independent from taxing agencies, it was announced.

McGovern Elected President of Eagles

Edward McGovern, a carpenter who resides at 2807 East 25th street, was elected president of Fraternal Order of Eagles, Lodge 1128, during a meeting last night at the lodge hall, 26th street and Madison avenue. The installation will be held June 11.

Other officers named were Jesse Hadley, junior past president; Lyle Temple, vice president; Jack Lehne, chaplain; Hubert Heinrich, secretary; Henry Hecht, treasurer; Robert Roberts, conductor; Earl Hobson, inside guard; Robert Gwin, outside guard; Andy Schuppert, trustee for three years; and Gordon Wills, trustee for two years.

The lodge members honored the retiring president, Jesse Hadley, by electing him as the "Outstanding Eagle of the Year." His name will be added to the Steve Puhse memorial plaque.

Announcement was made that Shuppert and Roberts will be delegates to state convention in Peoria June 2-5 and of the first place award presented earlier this week to the lodge ritual team, whose members participated in a southern Illinois contest at Harrisburg.

Members of the team are: Voss, Carl Buehler, Jesse Hadley and Edward McGovern.

Mrs. Kathryn Recker, 73, Dies Suddenly

Mrs. Kathryn Recker, 73, of 2234 Edison avenue, was dead on arrival at St. Elizabeth Hospital at 10:45 p.m. Tuesday after suffering an apparent heart attack. She was stricken shortly after retiring for the night and was found by her husband, Raymond Recker, who called an ambulance.

Mrs. Recker was born in Plainville, Ill., and lived in Granite City 60 years. She attended St. Joseph's Catholic Church and was a member of the church Altar Society and the Third Order of St. Francis.

Other survivors are a son, Raymond Recker Jr., of Park Ridge, Ill.; three sisters, Mrs. Mary McLean and Miss Elizabeth Comfort of Alton and Mrs. William Grafford of Ridley Park, Pa.; three grandchildren and one great-grandchild.

Funeral arrangements are given in a separate column.

Two Small Sisters Burned By Hot Water

First degree burns, caused by boiling water, were suffered Tuesday night by two small sisters who were given emergency treatment at St. Elizabeth Hospital.

They were Deborah Moore, 7, who sustained burns to her chest, and Charlotte Moore, 5, who was treated for burns to her left hand. They are the daughters of Mr. and Mrs. Edwin L. Moore, 2345 Clark avenue. Details of the mishap were not available.

James Hinson, 12, son of Mr. and Mrs. John Hinson, 1641 Primrose avenue, was treated for a fracture to his left forearm after he suffered from a fracture to his right forearm at St. Elizabeth's hospital and Ronald Lerner, 8, son of Mr. and Mrs. Harold Lerner, 2405 Edwards street, suffered a fracture to his right forearm at Sacred Heart hospital.

Former Resident, Rev. Kenneth Lawson Dies

Funeral services were held Tuesday afternoon in the Central Assembly of God Church in Springfield, Mo., for Rev. Kenneth A. Lawson, 38, of Springfield, who died suddenly of a heart attack Sunday.

Rev. Lawson lived in Granite City as a youth but moved with his family to Missouri before reaching adulthood. He was the secretary-treasurer of the Southern Missouri District of Assembly of God.

Rev. Lawson is the nephew of Mrs. George Feist of Granite City who attended the funeral with her son, James E. Fox, also of Granite City. Also surviving are his wife, Mrs. Lucy Lawson; a son and two daughters.

Interment was in Greenlawn Cemetery, Springfield.

Homicide Verdict In Stabbing of Man

A verdict of homicide was reached at an inquest held Wednesday in the death of Robert Jenkins, 28, St. Louis, who was dead on arrival at St. Elizabeth Hospital April 30 after being stabbed with a pocketknife on the street in the 100 block of Slough road, Venice.

The jury ruled that death was caused by internal bleeding in the chest area resulting from a stab wound in the main artery near the heart. The aorta was cut. The jury also found that the wounds were inflicted with a knife held by Marie Parker Jenkins, 30, also of St. Louis, who said she is Jenkins' wife. Deputy Coroner Francis Lahey conducted the inquest at the Venice city hall.

Waiving a preliminary hearing, she was bound over to the Grand Jury on a murder charge. She is being held today in Venice in lieu of \$10,000 bond.

ATTEND FUNERAL

Charles F. Kennerly Sr. and Mrs. Kennerly returned Monday from Murray, Ky., where they attended the funeral of their son, Charles F. Kennerly Jr., their father and grandfather.

Den Six of Cub Pack 23 met Monday with Mrs. Ethel Gettleman, 4032 Garden lane. The boys made Mother's Day present and played games. The next den meeting will be May 17. Refreshments were served to Alan Gene Gettleman, Floyd Ridgeway Jr., Marion Stawar, Phillip Martin and Den Chief Harry Briggs Jr.

CANASTA CLUB MEETS

The Canasta club met Tuesday evening with Mrs. Evelyn Conaway. Prizes went to Mrs. Evelyn Smith and Mrs. Martha Anderson, with Mrs. Juanita Spence also present. Refreshments were served. The club will meet in two weeks at the home of Mrs. Evelyn Smith.

Den Four of Cub Pack 23 met Monday with Mrs. Evelyn Bringer, 4501 Lake drive, assisted by Mrs. Ruth Norton. The pledge was led by Larry Harvey, and the boys made Mother's Day gifts. Games were played, and the meeting closed with the "living circle." Mrs. Norton served refreshments to Daniel Hill, Larry Harvey, Gary McDonald, Dennis Bringer, Herb Williams, David Dayton and Michael Norton.

Brownie Troop 31 met Tuesday with Mrs. Corrine Kreher, 3849 Lake street, assisted by Mrs. Florence Deatherage. The girls finished their Mother's Day presents, reviewed tenderfoot requirements for an investiture and discussed going to the established camp. Present were Janice Kheher, Stephanie Lindie Hamilton, Karen Deatherage and Cheryl Fisk.

Den Three of Cub Pack 23 met Tuesday with Mrs. Betty Walker of Rural Route One. The boys discussed the theme for May, "Mississippi Showboat," decided on a play for the pack meeting, made molded neckerchief slides and took a short hike. Refreshments were served to Leonard Walker, John Releke, Gregory Walker, and Bobby Bunselmeyer.

Brownie Troop 4 of Logan school was organized Monday with a mothers' meeting with the girls in the lunch room, led by Mrs. Norma Walton. The leader is Mrs. Helen Meredith and co-leader, Mrs. Barbara Bibe.

The first meeting was held Wednesday with the leaders being assisted by Mrs. Joyce Jones. The Brownie story was read, and the girls were taught the brownie promise, salute and handshake and a song. New Brownies are Betty Bibe, Verma Guess, Anita Kihmerlin, Lois King, Deborah Lippe, Sheila Riggs and Linda Telf.

Girl Scout Troop 119 met Monday with Mrs. Frieda Kerfoot and Mrs. Edna Reynolds. The girls made Mother's Day gifts and enjoyed a songfest. Present were Carolyn Brumm, Linda Ellis, Roberta Farnas, Vicki Groves, Linda Hancock, Donna Hutchings, Kathleen Jones, Betty Kerfoot, Thelma King, Carol Reynolds, Louise Shemwell and Nancy Zang.

Brownie Troop 51 met Tuesday to work on Mother's Day gifts and discuss a spring outing. Present were Nancy Profit, Judy Anderson, Sharon White, Tonia Poe, Lynda Lear, Debbie Westbrook, Regina Odum, Kathy Soechting, Kimberly Scheffel, Debbie Sechold and Janet Stoppokette, and Mrs. Lillie Anderson and Mrs. Betty Profit.

Mr. and Mrs. Joseph Hildreth of Nameoki Drive and Mrs. Virginia Odum and children, Regina and Steven, returned home Monday after visiting Mrs. Susan Hildreth and Mr. and Mrs. William Rainwater of Dover, Tenn.

Lee Park To Add Parking Areas

Parking areas will be provided on the west side of Lee Park by each of barbecue pits, it was decided at a monthly Venice park board meeting Wednesday night.

The board authorized Superintendent Groshong to work on the parking areas. He reported that many persons are parking their cars on the grass and near flower beds along the park road.

In other business, the board held its annual reorganization with the same officers who finished the recent fiscal year being re-elected. William Ohlendorf, Jr., who attended his first meeting in two months after an illness, was again chosen as president of the board.

Other officers are Mrs. Hilda Daubert, vice-president; Leroy Kutz, secretary; and Miss Margaret Fechte, treasurer. Groshong and Mrs. Oliver Profit and children, Nancy, Steven and Roger, with Mr. and Mrs. Clifford Parks and sons, Billy and Bobby, and Miss Roberta Profit, enjoyed an outing Sunday at Greenville Lake.

2 Elected Delegates To Church Meeting

Two Granite Cityans have been elected to serve as delegates to the biennial National General Synod meeting of the United Church of Christ, which will be held in Philadelphia, Pa., in July of 1961.

They are Rev. Paul Surbey, pastor of St. John United Church, and Rev. William Lewis as board counsel.

Surbey was re-appointed as superintendent of the park, and Austin Lewis as board counsel. Lewis was authorized to work on the appropriation ordinance to be voted on at the June 1 meeting for the 1960-61 fiscal year.

Mrs. Daubert, still recovering from auto accident injuries, was the only board member not present.

On April 30, a balance of \$8,032 was reported after \$188 in April bills were paid.

Church of Christ at 2601 Nameoki road and Miss Frieda Dehmer of 2000 Lynch avenue, who will be the official delegate from St. Paul United Church of Christ, Belleville. They were elected at the 21st annual business meeting of the South Illinois Synod, held in Millstadt on Tuesday and Wednesday of this week.

They are among six pastors and six lay delegates who will attend the Philadelphia meeting representing Southern Illinois. Also attending the Millstadt meeting were Rev. Robert Baumann, pastor; and Mrs. Russell Johnson, by leader of St. Peter's United Church of Christ; and Carl Burgeford, president of the congregation, and Rev. William Nisi of St. John United Church of Christ.

Rev. Surbey will also attend a national constitutional adoption meeting of the United Church of Christ on July 5-1 of this year.

How Big are the Buckets?

This farmer has two cows. One is contented, but the other, a little sad. The happy busy is the one who always fills the doghouse-size bucket daily. Basically, this indicates that one cow is worth twice as much, because both give grade "A" milk. This is a sneaky way to tell you of a recent complaint in one of our stores. An indignant customer filled up a huge cart for \$29.00. Previously, she had been in the habit of buying a full cart for about \$21.00 in another food store. We actually checked both carts, finding the "129.00" model 50% greater capacity.

Apparently this lady used a pear system. I could fill a cart with potatoes, worth about \$10.00 or a Bismillah cookie for \$1000. Sometimes I wonder how much price actually means?

RALPH PERRY, Advertising Manager

See, we get some funny complaints, we appreciate them anyhow!

CARD OF THANKS

WE WISH TO THANK OUR kind friends and neighbors for their acts of love and sympathy during our recent loss of our mother, and also extend grateful thanks for the beautiful floral tributes to our loved one. Special thanks to Father Costello, pallbearers and Mercer Funeral Home.

MRS. LOURINE BARR and
RAYMOND GILMORE.

WE WISH TO THANK OUR friends and relatives for their kind expressions of sympathy, beautiful floral offerings and spiritual bouquets extended to us in the recent loss of our dear husband and father, STEPHEN KUSHMIT. We especially wish to thank Rev. Raymond Atwood, pallbearers, Clifford Hensch of Richmond, Michigan and Sedlak Funeral Home.

THE FAMILY. 5-5

IN MEMORIAM

In loving memory of our dear father, THOMAS SPORCIC, who departed this life May 5, 1955, and our dear mother, JOSEPHINE SPORCIC, on Mother's Day.

The midnight stars are shining Upon your silent graves,
Beneath them sleep the ones we loved
But whom we could not save.
Although your souls are not in rest.

And from grief and pain,
This world would seem like heaven
If we had you back again.
Sadly missed by
CHILDREN AND
FAMILIES. 5-5

In loving memory of RALPH E. YORK.
You left us so suddenly,
Your last thoughts were
unknown.

You left a beautiful memory
We're very proud to own.
You had no one but a farewell,
Your loving heart had ceased to beat.

Before we knew that you were gone,
We mourn for you in silence,
No eyes can see you weep,
But many silent tears are shed
While others are asleep.

Sadly missed by
WIFE FLOESIE. 5-5

In loving memory of our dear mother and grandmother, SOPHIA JACHIMCZUK, who departed this life May 6, 1957 and our dear father and grandfather, HIPPOLIT JACHIMCZUK, who departed this life Sept. 17, 1959. Your voices, though we do not hear.

Will forever linger in our ear.
Sadly missed by
CHILDREN AND
GRANDCHILDREN. 5-5

In loving memory of IRBY STAGNER, who passed away May 4, 1949.
Gone but not forgotten.
Loved and missed by
WIFE AND FAMILY. 5-5

Youths Eject Girl From Auto On Pontoon Rd.

A 17-year-old Peters Station girl who was ejected from an auto along Pontoon road in Granite City last night was given a ride home by county nightriders. The girl, a carhop at a highway refreshment stand, was riding alone in a late model car when she resisted their advances. They put her out of the car. She went to a home in the 1700 block of Moreau avenue and authorities were notified. The girl apparently was not frightened.

2 In Crash Are Charged

Two motorists involved in a collision yesterday afternoon at 22nd and State streets were issued arrest tickets by Granite City police. Ruth Underwood, 30, of 2140 Miracle avenue, was charged with operating a motor vehicle without a driver's license, and Grace H. Dunn, 66, of 1015 Edwardsville road, was charged with failing to yield right-of-way.

\$258,144 Spent By City Of Venice In 1959-60

Net expenditures by the city of Venice during the 1959-60 fiscal year ended April 30 were \$258,144, or \$68,259 less than the \$326,403 budget, an annual report by City Controller Carl E. Byrnes has disclosed.

Expenditures totaled \$277,145, and there were reimbursements amounting to \$18,998. Of the \$68,259 difference from the budget, the combined budget surplus over spending reached \$74,903, offsetting \$6694 transferred to funds where costs ran higher than anticipated.

End-of-year transfers were \$3398 from the garbage collection salary fund to the street and alley salary fund, \$2554 from the garbage collection supply fund to the street and alley supply fund, \$15,000 from the printing fund to the audit fund and \$63 from the printing fund to the Illinois Municipal Retirement Fund.

A listing of budget totals and expenditures shows a \$240,203 general fund budget and \$218,868 spent, with \$13000 reimbursed; police pension fund, \$15,000 and \$4980; public library, \$34,050 and \$19,031; library bonds; and interest, \$10,800 and \$10,600; and municipal retirement \$6500 and \$24,262, with \$17,698 reimbursed.

A similar breakdown of the general fund follows: fund to Street and alley salaries, \$38,315 and \$44,611 (\$143 reimbursed); street and alley supplies, \$8702 and \$10,157; garbage collection salaries, \$18,500 and \$14,901; garbage collection supplies, \$3800 and \$345; police salaries, \$88,495 and \$88,025, with \$809 reimbursed; police supplies, \$8620 and \$7604; city officials' salaries, \$17,400 and \$16,660; city officials' supplies, \$4400 and \$3941; law department salary, \$5250 and \$2200; law department supplies, \$250 and \$48; insurance, \$1437 and \$1379; printing, \$1220 and \$531; and

Two Are Bound Over In Shooting Of Local Man

Willie Reynolds, 48, Glen Carbon, and his wife, Ruby, about 45, have waived preliminary hearings and have been bound over to the grand jury on charges of assault with a deadly weapon. It was learned this week from Edwardsville Justice of the Peace M. G. Schaefer.

The charges involve shotguns hidden near the Reynolds home April 30 by Preston Bishop, 1941 Maple street, who was treated at St. Elizabeth Hospital and released.

Managerial Signatures Nearing Minimum Number

James P. Worthen has in his possession 950 signatures on petitions seeking an election on converting to city manager government in Granite City, he told the Press-Record yesterday.

Worthen says he knows of at least 500 other signatures already obtained but not yet picked up by him. With additional efforts planned, the total should top 1500 by the end of this week, he said. This is approximately the minimum number necessary to require the holding of an election, if all are held valid.

Park Board Buys \$1983 In Athletic Equipment

Contracts for athletic equipment totaling \$1983 are awarded to six firms last night by the Granite City park district, which opened bids on a number of items during a board meeting at Wilson Park. Contracts were awarded to the low bidder in most cases, unless a local firm was near the low bid price submitted by an out-of-town bidder. Graham's Book Store was awarded \$747 in contracts, Belmore Toy and Sporting Goods \$778, Elmer Gruen \$55, Marlin Sporting Goods of East St. Louis \$186, Bob Russell Sporting Goods of St. Louis \$53 and Economy Sporting Goods of St. Charles, Mo., \$121. Eleven firms submitted bids.

The Graham contracts were for 70 baseball and basketball scorebooks, 10 sets of baseball home plates, nine dozen softballs, 10 dozen baseballs, two dozen practice baseballs, two footballs, six basketballs, two gross of table tennis balls, one dozen instructors' shirts and four canvas basketball bags. Belmore Toy and Sporting Goods was the successful bidder on 40 dozen baseballs at \$380 and 11 dozen less expensive baseballs at \$198.

Gruen received contracts for a dozen umpire shirts at \$29 and a dozen women instructors' shirts at \$26. The park commissioners approved for payment a bill totaling \$483 from H.H. Thomas Lumber and Cement Co. of East St. Louis for brick used in the rebuilding of a Wilson Park restroom, and a city plumbing bill of \$1480 for labor and materials used at park concession stands and the restrooms through April 29.

Park Supt. O. H. Williams was authorized to purchase a power mower at a cost of \$99, including a \$20 trade-in allowance. The park board will advertise for bids on a one-half ton pickup truck next week.

Five Traffic Mishaps In GC This Morning

Five traffic accidents were reported to Granite City police between 8:30 and 11:45 a.m. today. In two mishaps injuries were reported and details on them are given in the accompanying story appearing on the front page of today's issue.

Traveling south in the 1400 block of Madison avenue at 8:30 a.m. today, Virginia Little, 41, of 1812 Garfield avenue, lost control of her auto on the street car tracks and it jumped the curb to crash into a carport post at the home of Kuzma Jercenovic, 1419 Madison avenue.

Involved in a collision about 10:15 a.m. at 22nd street and Delmar avenue was a city street department truck, headed east on 22nd street by William C. Harmon, 69, of 2541 Jercen avenue, and an auto driven north on Delmar avenue by Mary Castle, 29, of 3005 West 20th street.

A short time later at 10:40 a.m. an accident was reported in the 2000 block of Missouri avenue, where Winifred Anderson, 1951 Maple street, was backing out of a driveway. The other auto was being driven south on Missouri avenue by Mrs. Thomas Martin, 64, of Carrollton.

Superior Ratings In 13 Areas At Depot

Command Inspection and Manpower Survey teams from the Office of the Chief of Engineers, Washington, D. C., conducted inspections of the Granite City Engineer Depot, this week to determine the "performance" of the mission, the state of discipline, efficiency and economy.

The teams, accompanied by Brig. Gen. Robert B. Warren, disclosed that the depot had improved since a similar inspection in August 1959. The depot received superior ratings in 13 areas, as compared to two last August. All other areas were rated "excellent" by the inspectors.

Included in the inspection parties were Col. Duncan Hallock, command inspection team chief; Col. Joseph O. Killian, engineer inspector general; Maj. Otto W. Hoffman, troop operations; William C. Hamer; Clifford Shafter; Rodney Poland, manpower survey team chief; Jack Reed, military supply; N. Z. Stephens, military construction; Maj. Charles W. George, engineer provost marshal; Louis E. Dowling, personnel; F. C. Casey, engineer controller; and Delwood Cornell, military supply.

Attend Funeral Here

Out-of-town relatives here to attend the funeral Tuesday afternoon of Mrs. Mattie Long, mother of Mrs. Arthur May, 2031 Cleveland bldg., with whom she resided, were Mrs. Minnie Mercurie of San Francisco, Calif., Mrs. Mollie Muir of Fulton, Elwood Freeman of Jefferson City, Mo., Mrs. Blanche Ellis of Decatur, Mrs. Valerie Box of Oklahoma City, Okla., Mrs. Velma Lakin, Ronald Lakin and Mr. and Mrs. Charles Connell and children of Pekin, Ill.

Club Plans Dinner

Plans for an installation dinner in June were discussed briefly at yesterday's meeting of the Madison Rotary club. President Joseph Purdie presided.

Select Name For Infant

Darla Kay is the name selected by Mr. and Mrs. Alvin Lewis, 2017 Kaseberg lane, for their infant daughter born Sunday at St. Elizabeth Hospital. The new arrival weighed six pounds, seven ounces.

Missing Girl Found

A 14-year-old Madison girl, missing since May 12, was located yesterday after an investigation led by Madison police. Returned to the custody of her mother after being found in St. Louis, she is being referred to county juvenile authorities.

Reese Inquiry Held

An inquiry by Deputy Coroner Henry Pieper Tuesday into the death of Jack Reese, 60, of 2124 Grand avenue, found that death was caused by a heart attack. Reese was stricken in bed at home at 6 a.m. April 26.

Speeding Charge

Joseph F. Barchesky, 34, of 2133 Davis avenue, was arrested Wednesday morning at 26th street and Madison avenue by Granite City police who charged him with speeding. He was fined \$5 and costs.

Surgery Tomorrow

Dexter Smith, 4, and Danny Smith, 3, sons of Mr. and Mrs. Bernard Smith, 2607 Lincoln avenue, are to enter St. Elizabeth Hospital today to undergo tonsillectomies tomorrow morning.

Marsh Boy Much Better

Thomas Marsh, eight, of 2711 Denver street, shot through the neck May 1, is greatly improved at the McMillan Hospital, St. Louis, and may be able to return home this weekend, it was learned today from his grandparents, Mr. and Mrs. Isaac Cur-

WOMEN'S SOCIETY ELECTS

The Nameoki Methodist Women's Society met at the church Monday evening, with election of officers held.

Miss Morene Groshong was elected to the presidency; Mrs. Jan Kohl, vice-president; Mrs. Naomi Strang, recording secretary; Mrs. Luan Briner, treasurer; Christian social relations, Mrs. William Kitchner; promotional secretary, Mrs. Mary Bailey; missionary and education, Mrs. Pat Merz; student work, Mrs. Dorothy Wallace; youth work, Mrs. Peggy Dillard; children's work, Mrs. Candy Kawula; spiritual life, Mrs. Ann Haley; supply work, Mrs. Lucille Russell; local church activities, Mrs. Mayne Voss; literature and publications, Mrs. Mildred Nancey.

Circle chairmen named were: Naomi Circle, Mrs. Fay Bess; Lydia Circle, Mrs. Lorraine Roush; and EMU Circle, Mrs. Ruth Handcock.

Announcement was made by the president of a Protestant Welfare meeting at the Nameoki Methodist Church May 17, and the ladies will serve refreshments. The ladies will serve the dinner for a father-and-son banquet on June 14. The annual mother-and-daughter banquet will be at 6:30 p.m. May 6. Tickets are available from the circle chairman and Mrs. West, chairman of the banquet.

Mrs. Vera Pittman announced that the next four Wednesday evening services will be a study course on the book of Luke. Mrs. Dorothy Luckert gave the devotional and was in charge of the pledge program. "Light of the World" was the topic of a study course for the evening given by Mrs. Luan Briner, assisted by Mrs. Johanna Collett, Mrs. West, Mrs. Groshong, Mrs. Pittman, Mrs. Gesine Kitchner, Mrs. Hancock, Mrs. Ann Staloff and Mrs. Bess Cussey.

An explanation on channels of work of the World Federation of Methodist Women was given by Mrs. Hancock. There were 21 members present, as well as one guest, Mrs. Elsie Kinder.

Mrs. Kitchner closed the meeting with prayer. The evening's hostesses were Mrs. Collett, Mrs. Kawula, Mrs. Merz and Mrs. Russell.

RECENT BRIDE HONORED

Mrs. Alice Pope, who was married last week to Mr. Pope, was honored with a bridal shower Tuesday evening by Mrs. Ruth Cornett and Mrs. Linda Snyder in the Cornett home, 1752 Venice avenue.

While bells suspended from the ceiling were centered over the gift table and formed the theme for the decorations. Games were played after the opening of gifts by the honoree.

A late dessert course was served to Miss Betty Fraley, Miss Earline Phelps, Mrs. Lois Bivens, Mrs. Bea Belcher, Mrs. Edith Harris, Mrs. Margaret Michaels, Mrs. Lois Bradford, Mrs. Pat Wallis, Miss Rosa Thompson, Miss Margie Thompson, Mrs. Frances Massey, Mrs. Thelma Phelps, Mrs. Lee Ogdin, Mrs. Geraldine Thomas, Mrs. Leslie Dotch, Mrs. Lois Bowers, Mrs. Pat Healy, Mrs. Rosalee Jones, Mrs. Irene Falk, Mrs. Mary Reed, Mrs. Willa Mae Reed, Mrs. Irma Metcalf, Miss Jean Massey, Mrs. Stella Montgomery, Miss Linda Harrison, Mrs. Janet McDowell, Miss Frances Wallis, Miss Mary Courtney, Mrs. Deleta Welsh and children, Darlene and Joan. Mrs. Janet Fouries, Mrs. Wanda Belcher, the bride's mother, Kathryn and Janet, the bride's sisters, Mrs. Norman Jean Ross, Mrs. Dorothy Miller and children, Myron and Rhonda, Mrs. Phyllis Knight, Mrs. Bernice Snider and daughter, Jennifer. Mrs. Juanita Cruise and child, Mrs. Mark and Jeffery, and Mrs. Martha, David and Johnny Corneil, children of the hostess.

Mrs. Pope is leaving in the near future to join her husband, who is stationed at Great Lakes, Ill.

MRS. BOWMAN ENTERTAINS

Mrs. Martha Bowman entertained her card club Tuesday evening in her home 2051 Washington avenue, for a semi-monthly meeting. Pinochle was enjoyed by the ladies, with Mrs. Gertrude Fleming holding the highest score. Mrs. A. C. Schwarzkoff second, Mrs. Mary Hoelter third and Mrs. Leona Parente, the evening's guest, receiving fourth place honors.

The hostess served a late dessert course to the winners and Mrs. Irene Argolan, Mrs. Grace Hennrich and Mrs. Della Hagan. On May 17, the club members have been invited to the home of Mrs. Fleming, 2017 Michigan avenue.

MRS. FEURKA HOSTESS

Mrs. Mary Feurka entertained the Over 21 club in her home, 1405 West Pontoon road, Monday evening. Games were played, Mrs. Mary Dorn and Mrs. Betty Mathey high scorers. The hostess served a late dessert course to Mrs. Florence Borders, Mrs. Leona Johansson, Mrs. Kathleen Hehle, Mrs. Pena Shookman and Mrs. Jean Hamilton. The next meeting will be held May 9 in the home of Mrs. Rutan, 4022 Melrose avenue.

ELECTION, BUFFET FOR JR. MAECENAS SOCIETY

Mrs. Orville Hommert, 2732 Michigan avenue, entertained the Junior Maecenas Society at a buffet supper Tuesday evening in her home. An election was held after the supper, with Mrs. Roger Grotefend, elected president, Mrs. Raymond Tadlock vice-president, Mrs. Richard Yates recording secretary and Mrs. Edward Linton financial secretary. The officers will have a tenure of two years.

Mrs. Lee Stephens gave a talk on latest color trends and new window treatments. Showing samples of materials, she explained how combinations can be used throughout the home. A question-and-answer period followed, with many decorating problems discussed.

Mrs. Hommert used lilac in crystal bowls, silver candelsticks

with lilac candles and spring garden flowers as the centerpiece for the supper table. Spring flowers were used in the playroom and living room to add a festive spring note. Wedding pictures and album of the members were shown as the social part of the meeting and comparisons were made on the changing styles of wedding gowns. Three guests at the meeting were Mrs. Randy Prof-

fit, Mrs. Robert Sido and Mrs. Henry Colligan.

Mrs. Grotefend, Mrs. James DeWitt and Mrs. Tadlock were appointed to the committee for a mother-and-daughter banquet May 16 at 6:30 p.m. at the Rose Bowl. They will have charge of reservations, decoration, favors and the program. Members present were Mrs. James Kolahan, Mrs. Kenneth Knox, Mrs. Victor Shanta Jr.,

Mrs. Ernest Bickhaus, Mrs. Charles Pritchett, Mrs. William Brewer, Mrs. William Sage, Mrs. James Corbin, Mrs. James Flaherty, Mrs. Syl Duigeroff and Mrs. DeWitt.

FIFTH BIRTHDAY

Mrs. Marshall Daugherty, 4109 Braden avenue, honored her granddaughter, Becky Lou Von Hall, on her fifth birthday with

a party Sunday afternoon.

A circus theme was used in the home decorations. The cake, decorated with a doll, formed the centerpiece at the dining room table.

Games were played, with Valerie Sladky, Carol Rae Lakin, Pamela Sue Stearns, Phillip Green and Rickie Morrison winning the prizes. Every child was given a favor and a ring to commemorate the occasion.

EDITORIAL

Time Is Ripe For Revision And Increase in Area Voting Precincts

Word that Madison county's largest precinct voting totals were recorded in the Quad-Cities comes as no surprise. Midnight has become a routine reporting time for many of the local polling places, 4 a.m. finishes are not uncommon for the ballot counters and one precinct took over 25 hours to count votes cast in this year's primary election.

Of the nine county precincts tabulating more than 500 votes each, seven were located here: Granite City Nine, 14 and 17, Nemoiki One and Three, Venice Eight and Chouteau One.

With 37 1/2% of the votes in Madison county cast in the Quad-Cities, it seems logical that this community would have about 37% of the county's 153 precincts, or 56. Yet, there are only 42 polling places, 14 less than the number necessary to balance local precincts with those in other sections of the county. Granite City's total of 24 compares with 35 in the city of Alton.

Local voters also have noted that the city precincts in Granite City, numbering 21, differ from the boundaries of precincts for the primary and general elections, causing unnecessary confusion and much uncertainty about where to vote. Some Granite City residents still must cast ballots at Nemoiki township polls due to delays in county action to revise voting boundaries.

The time seems ripe for revamping Quad-City precincts. Population growth has created the need for a larger number of voting centers, and a re-alignment also could achieve uniformity of precinct areas for both city and county elections.

Largest Local Industry Believes Growth Will Continue To Generate New Demand For Products

A talk by Nicholas P. Veeder before the New York Society of Security Analysts last week afforded food for thought for Quad-Cityans as well as the New Yorkers. As president and board chairman of this community's largest industry, Veeder pinpointed actions and conditions that have bolstered Granite City Steel's standing in the industry and are likely to foster continued stability and growth.

Steel's lack of investment glamor was acknowledged, but Veeder believes the industry is being taken for granted. He pointed to its vast production and to its use by manufacturers "to varied that no complete listing has ever been made." He conceded that its products sell for only seven or eight cents a pound, compared to \$4 a pound for such "glamor" metals as tellurium. Yet, the "dynamic" term applied to such fields as electronics and industrial gases results partly from steel firms' greatly increased use of their technologies and products.

Tracing the expansion of Granite City Steel, now the nation's 15th largest steel company, the executive related that the local firm is 300 miles closer to many customers than other flat rolled steel producers but still has strenuous competition in a ten-state market area from the eight largest steel firms as well as some of the smaller mills.

Two factors have been helpful. Fast delivery of orders, with prompt service to customers, has aided Granite City Steel in operating at a higher percentage of capacity than the rest of the industry. And the local plant is not as small as it would seem from comparison with other firms, since they combine production

figures of many separate plants in their reports. Granite City Steel produces more steel in one location than four of the five plants of one major firm, and its input capacity is greater than half of the eight steelworks of an even larger producer. With all its production facilities and management in a "one-plant basket," decisions can be made faster than in multi-plant operations, minimizing "red tape."

Confidence is another factor aiding the local company, which is moving into a buyers' market by continuing to boost capacity faster than the industry average. "Whether a company expands after a market area develops or in anticipation of it is a little like asking which comes first, the chicken or the egg," Veeder believes. "Steel mill expansion tends to generate a demand, even if one is not there already. It encourages new plants to move into a mill's market area, as has happened many times during Granite City Steel's steady growth in the 1950's."

With this outlook, Veeder has a simple answer to the question of whether the firm plans to expand again after it reaches 1,740,000-ton annual capacity in 1962: "We do." Emphasizing "efficient profitable operation in the right product lines" and aware that the growing population will need more of virtually everything, including steel, the company has reached a firm conclusion — "As the demand for steel continues to grow, Granite City Steel will grow with it."

Outpouring Of Affection, Gratitude Will Mark Observance Of Mother's Day

"Mother is the name for God in the lips and hearts of little children," Thackeray wrote a century ago, and motherhood is no less revered today.

"The mother's face and voice are the first conscious objects as the infant soul unfolds, and she soon comes to stand in the very place of God to her child," Granville Stanley Hall has written.

As a child grows older, he comes to understand and worship God, and he has long since learned that there are many more people besides his mother. Yet his mother always will occupy a special place in his thoughts, for it was she who gave him loving care when he was so young and dependent on others for his very need and wish.

Few scenes are more touching than a young mother's joyful supervision of her infant — a creation soon to belong to the world but hers for a few years. As Quad-Cityans observe Mother's Day on Sunday, May 8, they will take varied ways of expressing a feeling shared by all — warmth and love for their mothers. Though eloquence is sometimes difficult on such an occasion, there will be no doubt of the sincere gratitude and affection for each mother.

State's Share Of Relief Costs Is Growing More Rapidly Than Expected

One of the principal reasons for this week's recall of the Illinois General Assembly was the state general assistance program. In townships levying a tax equal to a 10-cent rate on each \$100 assessed valuation, the state supplies all additional funds for poor relief.

Each owner of personal or real estate property pays a proportionate share of the township tax for general assistance, and taxpayers provide revenue for the state through sales tax, liquor tax, public utility tax, inheritance tax, cigarette tax and racing tax. Illinois legislators appropriated \$77,300,000 for general assistance for the biennium of July 1, 1959, to July 1, 1961, but \$45,673,084 or 59% had been spent by March 31. With 15 of the 24 months remaining, the initial appropriation would be exhausted by September at current monthly expenditures of \$4,074,787. Deficits of \$14,046,167 by Jan. 1 and \$44,494,889 by July 1, 1961, were in prospect as the legislature convened for a special session.

Aid to the poor is essential, but a study of present procedures seems merited since costs are running much higher than appeared likely less than a year ago. Recipients should be removed from the rolls as soon as their need is ended, and a thorough look should be taken at the conditions causing a rapid increase in the number of persons on relief.

KNOWS WHY AREA PROGRESSED SO RAPIDLY

Mr. C. E. Townsend, Publisher, Granite City Press-Record, Granite City, Illinois.

Dear Mr. Townsend: I know you are very busy, but I did want to take a moment of your time to thank you for the courtesies which were extended to the members of the Division of Industrial Planning and Development board at Granite City last week.

It was a long day, but we enjoyed every minute of it. You people Granite City can be extremely proud of your community. Seldom have I ever seen such enthusiasm as is shown by the people of Granite City. It leaves little wonder at all as to why Granite City has progressed so terrifically in the past few years. It's because of the spirit of the people who live here.

I don't hesitate to let us know how we can be of help to your community, as the future looks extremely promising to us for continuing progress ahead.

Sincerely yours, Scherer Freight Lines, Inc. Alex. K. Scherer, President and Vice-Chairman of the Division of Industrial Planning and Development Advisory Board.

SAYS ILLINOISANS HELPED CUT ST. LOUIS TAX On 16 April an editorial in one of the large St. Louis newspapers offered comforting words for the law-abiding Missouri citizens who had paid their Missouri State income tax.

These comforting words furnished figures showing that their local taxes were the second lowest in the nation and that their gasoline, liquor, and other taxes were the lowest in the other large St. Louis area. These comforting words were offered to the citizens of St. Louis during the successful campaign to reduce the St. Louis City Earnings Tax.

St. Louis administration officials have suggested that the promised tax cut might be a 6-cent reduction for each \$100 assessed valuation in the property tax.

In all this encouraging news, noticeably missing are comforting words for the East Side citizens who work in Missouri and are forced to pay the tax grab, they must pay both state and local taxes which are considerably higher than those of the Missouri citizens.

Although these victimized citizens find the one-way Missouri tax news disheartening, there is encouraging news for them on the Illinois side. The SOUTHERN ILLINOIS CITIZENS LEAGUE, P. O. Box 432, Granite City, Illinois, is fighting them in congress by supporting the bill introduced on 1 February of this year by Congressman Marvin Price.

However, the SICL can go only as far as support from the East Side will take it, and a victory for the SICL will mean worthwhile benefits for the entire East Side.

For instance, Missouri's tax grabbing will cost the East Side \$30,000,000.00 to \$50,000,000.00 in the next ten years, and those millions of dollars will be one-way benefits for 4,000,000 Missourians.

Now, the East Side (the Illinois portion of the Greater St. Louis Metropolitan Area) includes Madison, St. Clair, and Monroe Counties, totaling a population of 400,000.

In other words, if the tax grabbing were stopped, each East Side resident would stand to gain the benefits now being "donated" to every ten Missouri residents.

Let's face it! The SICL has a good thing going! JOIN NOW AND GAIN LATERS!

Dear Neighbor: How is your lawn coming on. We've had a few nice rains and some very warm weather and the grass has been growing fast. It has been ready for the first cutting for some time. Our yard was filled with tall grass ready to cut and in and out of the grass was a sea of golden buttons. Debbie has been in the yard picking the golden buttons by the bouquet. As she picked the golden flowers Bulah and I saw a deep spiritual truth.

Our garden has its share of the yellow buttons which look like daisies alone. Have you ever picked this lovely weed and taken it on a good look? They are lovely to look at. They are found every-

Date To Be Set For Meeting On Clerk Candidate

Madison county's new Democratic chairman, Walter Simmons of Venice, expects to wait about two weeks before setting a date for a convention of party committeemen to choose a clerk candidate, he told the Press-Record this week.

Simon Kellermann Jr., 80, Edwardsville, circuit clerk for 34 years, passed away Sunday, 1959, after he defeated William V. Portell of Granite City 14-12 to 10,377 for the Democratic nomination. Eugene Berghoff of Wood River, chief deputy circuit clerk, was appointed as clerk pro tempore Monday by the county's three circuit judges.

Selection of a candidate to oppose Robert T. Byrne of Granite City, Republican nominee, in the November general election will be up to the Democratic precinct committeemen. They will cast votes according to the number of Democratic ballots cast in their precincts in the April 12 primary election.

Simmons said no action would be taken until after yesterday morning's funeral services for Kellermann at St. Mary's Catholic Church, Edwardsville. Noting that the deadline for a decision on a convention date by Nov. 8 election, or Sept. 19, the chairman said he has no immediate plans but might make the decision on a convention date by mid-May.

where and in any kind of soul and blossom in profusion. We were amazed at the beauty of these golden buttons. . . . just lovely as they are. . . . cause the gardener a good deal of grief and sorrow. . . . weed will eventually take over and ruin any garden.

This is true to live. There are many things in life that look very inviting. They are lovely and beautiful to look at. . . . but if we tolerate and compromise with them. . . . they will eventually be our downfall. Take the lower standards of living. They may look fine for the moment but soon they lead to lesser living and greater heartaches. We must remember that in our garden of life. . . . many weeds which are deceiving. We must know how to weed out and replace with the good seed. The Book of Life has the directions which we may follow. The Master of the leaves and the Pharisees and the Sadducees."

May God bless the Rev. John N. DiGiacomo, D.D.

Two Speeding Arrests

Two motorists were arrested at 23rd street and Madison avenue early Tuesday morning by Granite City police who charged them with speeding. They were Michael J. Hutson, 21, of 1353 Garfield avenue, and William R. Harper, 21, of 2722 Nameoki road, who posted their driver's licenses as bonds.

Berghoff, 32, who posted \$5000 bond and assumed the position of temporary circuit clerk Monday, was named to serve until a successor to Kellermann is elected in November. Chief deputy since May 15, he said.

The chief deputy position is million pounds of honey produced in the U. S. each year.

Quad-City Church Women To Hear Clarissa Start

Clarissa Start, a columnist and feature writer for the St. Louis Post-Dispatch, will be guest speaker Friday at the annual May Fellowship Day luncheon and meeting of the Quad-City Council of Church Women to be held at 12:30 p.m. at St. Peter Evangelical & Reformed Church, 21st street and Cleveland blvd. Mrs. James R. Craddock is chairman.

A native St. Louisian, she graduated from the University of Missouri School of Journalism, and worked as a stenographer and advertising copywriter before joining the Post-Dispatch in 1938. In private life she is Mrs. E. Gray Davidson, wife of a St. Louis County attorney and State Senator. In January, 1955, she was honored as Woman of the Year by the Women's Chamber of Commerce of St. Louis for her volunteer activities and in February 1956 she toured Germany as one of 15 Americans invited as guests of the West German government to study church and welfare programs there. In addition she did research for a biography, "God's Man, the Story of Pastor Martin Niemöller" which was published in the fall of 1956.

Lydian Class Honors Mothers

Members of the Lydian Class of First Baptist Church honored their mothers at a party Tuesday evening in the church parlors. The group began the evening with the class hymn, "I Give Faith in God," and prayer by the teacher, Mrs. Harry Mitchell, followed.

The guests were welcomed by the president, Mrs. Gladys Hagan. Plans were presented to the eldest and youngest mothers, Mrs. Nellie Hecht and Mrs. Patricia Beatty, and a devotional service and program included piano solo by Miss Candace Ehler; a vocal selection by Miss Sherry Duth; a recitation by Miss Patsy Stagner; a duet by Mrs. Olive Little and daughter, Shannon; a recitation by Misses Toni and Linda Mitchell, and a playlet entitled "Mother's Day" with Misses Denise Hagan, Betty Graham, Pat Poole and Lois Bein participating.

Refreshments were served by the hostesses, Myrl Lindsey, Myrtle Howell, Leona Spanberger and Victoria Kent to 60 members of the class and their guests.

Solon Concerned Over Children In Streets

Concern over children playing in streets was expressed during Monday night's council session by Fifth Ward Alderman Walter Nomm, who said the hazards will increase after school is dismissed.

"What will we do this summer?" Nomm asked. "Parents can't keep a constant watch over youngsters."

He was told by Police Chief Raymond Willard that an appeal had been made through the newspaper asking parents to keep youngsters from playing in streets and that police are constantly receiving complaints from all sections of the city.

"Whenever the patrolmen come across youngsters in the streets, they stop and tell them to play elsewhere and suggest going to school playgrounds," the chief said.

Driver, 73, Charged With Careless Driving

A charge of careless driving was placed against a 73-year-old motorist, Paul Maykopet, 944 Niedringhaus avenue, who collided with two vehicles parked on 18th street at Delmar avenue Monday night. He is free on a driver's license bond for a hearing next Tuesday.

Police said he was driving east on 18th street and struck an auto belonging to B. K. Trammel, 40, of 1747 Delmar avenue, and a pickup truck owned by Donald Doyle, 28, of Waterloo.

Scholastic Honors For University Freshmen

Robert J. Ruckriegel and John H. Harrison, who graduated from Granite City high school last year, have qualified at the University of Illinois for membership in Phi Eta Sigma, national scholarship society for freshman men.

GCHS Principal Lawrence McCauley has been advised that the two students have "A's" for at least half of their grades, with no grades below "B," and rank in the top four per cent of the freshman class.

GC Council OKs Two Bus Route Changes

Council approval for changes in the East Granite and McKinley Bridge routes of Community Coach Co. buses was given Monday night, although it was pointed out that some residents along Benton street were objecting to the extension of the Bridge bus route north from 23rd street to 27th street.

With city approval, Alderman Samuel Whitmer said, the company will make application to the Illinois Commerce Commission to change the routes.

The East Granite bus, on its return to the business district, is to turn right off Madison avenue onto 26th street instead of 27th street and will turn south at 26th street and Delmar avenue. The McKinley Bridge route is to be extended along Benton street to 27th street, will go east on 27th street and then south on State street.

I wish to express my sincere and heartfelt gratitude to the 3,731 people who expressed their confidence and trust in me by voting for me in last Saturday's Judicial election. I also wish to thank from the bottom of my heart the 95 people who gave so generously of their time and exerted such a tremendous effort on my behalf without pay or expectation of any reward.

My thanks also go to the many people who contributed financially to my campaign.

To one and all --- THANKS A LOT.

Mercer-McMackin Contest Tops Sunday's Inter-City Bill; Hearts in Maryville

Mercer Funeral Home and Sacred Heart will take on Inter-City baseball diamonds Sunday afternoon, with the inter-division meeting between Mercer and McMackin at Wilson Park the most important among the five games on tap.

Mercer leads the Blue division standings with a 2-0 record, one full game ahead of three clubs tied for second place, while Collinsville and Sacred Heart share first place in the Red division, also with 2-0 records.

On paper, the Hearts should have an easier time of it in Maryville, where they will play a Red Sox team that has been beaten soundly in both its outings.

Managers Dick Portell and O. Miller probably will rely on their ace right-hander, Andy Angeloff, against McMackin. Angeloff is 1-0 in his first start.

GC To Have Three Entries In State Softball Tourney

Granite City will be represented by three softball teams in the Illinois Amateur Softball Association's class "B" state tournament, scheduled on the Wilson Park layout from Aug. 27 through Sept. 5.

The announcement came from Richard Eccles of Alton, ASA district president, and Harold Brown, Granite City ASA district commissioner in charge of the tourney, second to be held here in as many years.

Local entries in the state meet will include defending champion Millie and Mickey's, a winner of the Granite City ASA regional tournament, to be selected and run off on Aug. 13-14 and Aug. 20-21.

The winners of 21 class "B" regionals also will enter the tournament, making a total of 24 teams in two divisions.

The ASA class "A" regional tournament will be held in Wood River from Aug. 8 through Aug. 13. Managers wishing to enter teams in either the class "A" or "B" ASA regionals may contact Brown for further information.

Flyer Nine Downs GC 1-0 With Home Run In 4th

Tom Wyrostek's home run in the bottom of the fourth inning was all East St. Louis needed as the host Flyers downed Granite City's baseball team 1-0 Monday.

The slumping Warriors have lost three of their last five games, starting the season with a ten-game winning streak.

"I don't know what is wrong," Coach Joe Fedora said. "Except for our hitting we've been playing good ball. But we just don't seem to have the winning touch we had earlier in the season."

"Our hitting has been weak, but you've got to give credit to the defense. We've faced late-inning rallies, we've come out of this slump, we're going to be in it," Wyrostek said.

The district play will open next Monday in Madison.

Gary Stokes pitched for East St. Louis and allowed only three hits while striking out nine and walking four.

Bob Price pitched for the Warriors and received the loss. He was relieved by Dave Dumoulin in the fifth. It was Price's first pitching effort this year, but his performance drew praise from Fedora.

"I pitched Price over one of our other boys because I wanted to see what he could do against good competition," the coach said. "Except for that one mis-pitch against Wyrostek, he pitched a good game and should give us support in the district tourney."

The Monday defeat made no difference in the conference standings, however, because Collinsville clinched the title late afternoon by downing Wood River 3-1.

Bill's Doubles
The Warriors threatened twice against Stokes. Don Dillard, who had two of the three hits, doubled in the fourth inning after one was out and advanced to third on a passed ball. But he was stranded there as John Smith grounded out to end the inning.

In the seventh, with two out, Grant Takemian batted for Dave Sparkes and doubled. Vic Buehler walked, but both failed to advance as Larry Diak went down swinging to end the game.

The Warriors left seven men on base in the contest. The Flyers threatened twice when they tied the bases, but Granite City managed to hold them each time without scoring. Wyrostek's game run was a powerful out to dead center field.

The Warriors, now 12-3 for the season, will host Alton Friday at 4 p.m. in a two-game game of a league contest rained out earlier in the season.

Hideg Drives In 4 Runs, Georgeff Twirls 3-Hitter In 6-2 Trojan Win

Frank Hideg drove in four runs with a home run and six hits and Georgeff pitched three-hit baseball as Madison high school stopped the visiting Comanches of Cahokia Monday afternoon in a Midwest Conference game, 6-2.

The Trojans went to work early. Second baseman Dan Hrysko opened the ballgame with a triple and rode home of Hideg's round-tripper.

In the third inning Georgeff always a better pitcher when he is hitting, scratched an infield single, advanced to second on a balk by the Cahokia starter and, loser, Ed Davis, and scored on Roy Koberska's single.

After Bill Dill had scored the Comanches' first run in the fourth when he tripled and crossed the plate on a passed ball, Hideg again came through with an important hit.

Catcher and Shortstop Tony Modrusic hit back-to-back infield singles to open the fifth, and Hideg drove in two out and the runners at second and third, Hideg slugged a home run to left, scoring both runners.

That was all Georgeff needed, but Madison struck up run number six in the sixth on a single by Kiemer, an error, a fielder's choice and an RBI base hit by Hrysko.

Cahokia threatened mildly in the seventh, scoring one run without benefit of a hit on an error, two fielders' choices and a passed ball.

Georgeff struck out 11 batters in picking up his second win in the Midwest Conference. He showed considerable improvement, committing only one error, the Comanches' striding out nine.

The win was the sixth of the season in 12 starts for Francis Davis, who has pitched well. "Fat" Davis' athletes, who improved their conference record to 5-3.

Press-Record SPORTS District Baseball Tournaments To Begin Monday

Thirty-five prep baseball teams from southern Illinois will begin the long journey toward the IHSA state tournament to be held last month when a series of ten district tournaments begins Monday afternoon.

Madison high school will host one of the district eliminations, with the winner advancing to a regional tournament to be held at Wilson Park, with Granite City the host.

Madison and Granite City will open the district meet with a game at 4 p.m. Monday, the winner meeting Southwestern Conference Champion Collinsville in the following afternoon.

Madison said rules to be used in the league will be discussed at the meeting. "Umpires for the league don't have to have baseball experience," Brown added, "but they should be interested in the game, and know something about it."

The right man in the right place is sure to be left.

The winner of the game with Collinsville will advance to the Granite City regional and meet the Bethalto district winner on Monday, May 16, while Alton and East St. Louis district champions will meet the following day. The regional championship game will be played May 18, the winner going on to the state sectional.

The area district pairings: At Madison: Madison vs. Granite City; Collinsville vs. Alton; at Bethalto: Roxana vs. Wood River; Edwardsville vs. Bethalto; at Alton: Western Military Academy vs. Marquette; Alton, Mo. vs. East St. Louis; East St. Louis vs. East St. Louis; Collinsville vs. Alton; at Highland: Worden vs. Triad; at Columbia: Columbia vs. Dupo; Belleville Cathedral vs. Belleville; at Macoupin: Macoupin vs. O'Fallon; Lebanon vs. Freeburg; at Waterloo: Waterloo vs. St. Peter and Paul; Valmeyer, Mo. vs. Breese; Moberly vs. West-Clinton; Breese vs. Aviston; At New Athens: Red Bud vs. Ottumwa; New Athens vs. Breese.

Warrior Tennis Win Streak Halts At 24 As Edwardsville Wins 4-1

All winning streaks eventually come to an end, Granite City Tennis Coach Dick Harmon discovered Monday afternoon at Edwardsville. When the Tigers defeated the Warriors, 4-1, it was the first defeat for a Granite City tennis squad in Southwest Conference action in 25 meets.

Edwardsville, which was defeated by the Warriors by the same 4-1 score earlier in the year, now is tied with Granite City and Belleville for the conference lead. Each squad has one defeat. The Redmen will take on Belleville twice next week.

In the earlier contest, the Tigers won when one of his key players was hurt, but Dupo, the old doubles combination was restored. With the aid of a new 3 singles, Ed-wardsville found the key to defeat Granite City.

David Magt was the only Warrior victor as he remained undefeated in two years of conference play. He had some trouble but downed the Tigers' no. 2 singles man, Tom Lyons, 6-2 and 6-4. Lyons, who lost the only match for Edwardsville, was the lone victor for the Tigers in the April 11 match when he downed Keith Zeizer.

Zeizer lost in Monday's match to Al Wallace in straight sets, 6-0 and 6-6, as the Edwardsville player gained revenge for the same kind of defeat at the hands of Moss in the first meet between the two schools. The new- comer for the Tigers, Carl Weizel, defeated Mike Mundy 6-3 and 6-4.

The key doubles match won by the Warriors in the earlier meet went to Edwardsville Monday in two exciting matches. The Granite City team of Max Prusak and Virgil Kirksey lost to Gordon Hug and Bill Auger 5-7, 8-6 and 2-6.

In the other match, Edwardsville's Dave Poff and Kit Blackman downed Terry Rusick and Gary Wiseman 9-7 and 6-2. In the April 11 meeting, Poff and Auger were paired on a doubles tug-of-war when the Warriors team that lost to the Warriors.

One Team Needed To Complete Park Leagues

The Granite City park district boys' baseball program has an opening for one team in the juvenile division for players aged 13 to 15. Recreation Director Harold Brown said this week. Seven teams have signed up as of today, and an eighth is needed if two four-team leagues are to be formed.

All other age divisions have their full quota of teams, which will play a 12-game schedule this season as compared to just nine games last season. Brown said the schedule is so crowded that Sunday afternoon playing dates may be set up and Alton division teams may play on a diamond at the city lot adjacent the new fire station, in addition to making use of park fields.

Umpires Meet Tonight

A meeting of persons interested in umpiring at Granite City park district baseball league games during the 1960 season will be held tonight at 7:30 at the park district office in Wilson Park.

Recreation Director Harold Brown said that the need for umpires "has increased 25% since a total of 32 teams will play in four age divisions this season and the schedules have been increased from nine to 12 games."

Brown said rules to be used in the league will be discussed at the meeting. "Umpires for the league don't have to have baseball experience," Brown added, "but they should be interested in the game, and know something about it."

The right man in the right place is sure to be left.

County Boards To Set New JP Districts By June 4

County boards throughout the state are expected to establish justice of the peace districts before June 4 or else wait until the 1965 election year to increase or decrease the number of justices.

Atty. Gen. Greenville Beardsley held a recent official opinion that county boards must set the JP districts at least 10 months prior to April 4, 1961, or wait until 1965. However, some revisions to the new JP law are expected during the special session of the state legislature which began this week at Springfield.

Whether or not any changes might delay the state of the new JP law is not known, but during the special legislative session, the state lawmakers are expected to clarify some phases of the law, such as possibly eliminating the need for primary election. Justices also may be required to file reports of fees and costs to county boards to determine the amount of salaries to be set. The new law will require salaries for JPs instead of the present fee system.

In Beardsley's recent opinion, a county board can increase or

Granite City PRESS-RECORD
Thurs., May 5, 1960 Page 31

created by a population increase. This is true, the opinion said, because it is discretionary with a county board whether the number of justices of the peace and constables in a county be increased or decreased.

That the new justice of the peace law does not authorize any special elections either to increase or decrease the number of justices of the peace and constables in a county. Such action can only be taken by a county board resolution adopted not more than 12 or less than 10 months prior to a regular election for justices of the peace.

That the reference in the new justice of the peace statute to a "township" is to a township in a county under township organization.

That the different justice districts in the same county should contain the same number of justices of the peace and constables at the first election in 1961, unless the county board has by resolution not more than 12 or less than 10 months before this first election changed the number in certain districts.

A justice of the peace district contains one whole township and parts of other townships established for the 1961 election may be changed and additional justices and constables elected in 1965.

And the salary and expenses of a justice of the peace should be fixed prior to the April 1961 election.

City To Ask FCC Why Police Radio Change

An explanation is to be sought from the Federal Communications Commission for changing the frequency for the city's police radio. The changeover is expected to cost several thousand dollars, as new units will be needed for the five police cars and three motorcycles.

Police Chief Raymond Willard said the FCC is "splitting" frequencies to accommodate more stations, necessitating the change for local departments. He estimated the new equipment would cost about \$5000 and the present equipment could be converted for use in the chief's car, street superintendent's auto, city inspector's vehicle, mayor's car and other city vehicles equipped with two-way radios.

The request for a detailed explanation from the FCC was made by Alderman Estill Von Schmitt, who said the changeover is required "every four or five years at considerable expense to the city."

"I want to know why, and I want the city attorney to write to the FCC and have them tell us why," Schmitt said.

GRAHAM HALL, named in honor of its donor, Carl Graham of Granite City, which will be dedicated in ceremonies

Local Donor To Be Honored

Graham Hall Dedication Sunday At Blackburn College

Formal dedication for Graham Hall, new men's dormitory at Blackburn College, Carlinville, Ill., will be held Sunday at 2:30 p.m., Dr. Robert P. Ludlum, president of the college, said today.

The 28-room dormitory is named in honor of its donor, Carl Graham, owner of Graham's Book store here, who presented the building to the school Sunday during formal dedication ceremonies on the campus.

Construction Costing \$93,350 Listed In Madison

Spring is here, and Madison property owners know it. Construction permits issued by the city soared to \$93,350 during April, a monthly report showed today.

The arrival of warm weather annually brings about an increase in building activity and home improvements, and this year has been no exception. The month's permits totaled 12 including 10 home projects, a church and a garage.

Largest of the permits is for a 40x50-foot one-story brick church building to be erected at 919 Bissell street by the Southern Baptist Church. The \$80,000 structure will have a concrete basement. Two frame buildings will be moved to afford space for the new structure.

Wilma Opich, 1920 Twelfth street, received authorization for a \$600 porch replacement project at that address and an 18x22-foot room-and-bath residential addition at 1914 Twelfth street costing \$350.

Charles A. White, Jr. will raise a home at 2041 Beckwith street, construct a basement and add a 16x16-foot room at an aggregate cost of \$2,000 while L. G. Bruenner will install aluminum siding and storm doors and place storm shutters on four windows at 1531 Fourth street at a cost of \$150.

A 3x11-foot frame addition costing \$1200 will be built by William Burris at 1122 Reynolds street, and Robert Williams will enclose a sun porch, installing concrete footings and flooring at 314 Franklin street at a cost of \$1100.

Permits also were obtained by John Kopechak, 4921 Madison avenue, who will construct a 15x22-foot frame addition costing \$1000 and including two rooms, a bathroom and basement; Harvey Barber, 1418 Fifth street, who will install concrete front porch steps and steel banisters at a cost of \$500; and Tony Havranek, 1602 Sixth street, who will enclose a 12x20-foot frame porch at an expenditure of \$50.

George Stentzer, 1009 Grand avenue, plans a carport addition and building repairs costing \$550, and Warren Geldbach, 1700 Edwardsville road, plans an \$800 frame garage, 14x22 feet in size.

at the dormitory site in Carlinville at 2:30 p.m. Sunday. Blackburn College is a co-educational independent liberal arts school founded in 1837.

Dr. Grigsby will speak on "Building to Serve." Dr. Ludlum will also speak concerning the construction of the building and explain its place in the college's "continuing program of expansion and modernization." The invocation will be given by the college chaplain, the Rev. Mr. Joseph C. Dand.

The dormitory is unique in that it was built entirely with student labor under the school's work-study plan. The more than 100 Blackburn students who worked 100 hours or more in the construction of the building also will be honored at the dedication.

The dormitory, for upper class students, was begun in March 1957 and completed last March. The dedication will be a part of the annual parents' weekend activities at the college. Following the formal dedication, there will be a reception in the lounge followed by tours of the building throughout the afternoon.

Facilities in the building include a snack kitchen, storage rooms, pressing rooms, laundry room and a mail and reception foyer. The main lounge is furnished in Danish modern with facilities for television and games.

In the one single and 24 double student rooms, bookcases, dressers, wardrobes and desks are all built-in. The building contains its

own heating plant, capable of handling another dormitory of similar size.

April Parking Income Highest For Year In GC

Granite City's parking meter income in April was the highest of the year as \$1 fines for violations totaled \$360 to boost the income to \$3817 for the month. The amount of fines was the highest since October 1958,

when \$378 was paid by violators, and the sudden increase from the \$181 fines in March resulted from a crackdown ordered following the receipt of the city's downtown parking survey. It showed a large number of cars parked in excess of the two-hour meter limit. Last month's average daily income was \$139 as compared

to \$132 in March, \$127 in February and \$127 in January. The city's total income from parking meters this year is \$13,570, which is slightly higher than the \$13,474 for the first four months of 1959.

Drinking Causes Third Of Fatal Accidents

One third of the nation's fatal traffic accidents are caused by persons who definitely are under the influence of alcohol, an Illinois traffic official said last week.

Half of the fatal traffic accidents involve motorists or pedestrians who have been drinking to some extent, said Raymond Hill, safety advisor to the Illinois Division of Traffic Safety.

He said studies made in six states during the past five years back up his statements "in no uncertain terms."

Over 50 Illinois cities now are using chemical tests for intoxication. Hill said this is a 66% increase since adoption of a 1957 Illinois law which permits chemical test results to be admitted as evidence in court.

GC Council Rejects 7-Hour Day For Office Secretaries

A proposed seven-hour day, 35 hour work week for all city hall secretaries was debated loud and long by Granite City council members, who then issued orders for a time clock to be installed in the building to make certain all office employees work an eight-hour day or be "doctored."

The proposal was submitted based on the seven-hour day worked by a majority of women employees for the past year, according to Paul Rutledge, who said he was told a year ago by Mayor Davis not to interfere in the operation of city hall offices. Rutledge reminded council members they then had ordered a notice go out to all department heads at the city hall for office workers to put in an eight-hour day, "but it didn't mean a thing."

The debate continued for nearly an hour.

Council Chairman "A 40-hour week should be worked by all city employees," Alderman Walter Nunn proclaimed. "This could streamline and we wouldn't be able to stop." He reminded the council that while the mayor is chief executive officer, the city council still is the boss.

Mayor Davis was not present for the meeting, and Alderman Rufus LeMaster presided.

"We'll be getting a precedent," Alderman Donald Partney remarked. "We'll soon have requests for 35-hour weeks from all other departments—the firemen, policemen and street and sanitation department workers."

World Spur City Manager Alderman Charles Meyer said a 35-hour work week "would probably bring city manager (government) here quicker than

anything. People want a dollar's work for a dollar taxes. "We have no control over appointive jobs," he continued, "but our remedy is to holdup salaries of those persons working only seven hours a day. Why working for the city could be the best job in the world."

Alderman Arthur Wierzer pointed out several secretarial employees do work eight-hour days, and the change was being made to pacify them since they were not given pay increases last year or this year.

"We shouldn't try to pacify anyone," Alderman Steve Basaich replied. "Find out what the department heads are permitting seven-hour days and find out why."

7 Hours For A Year

Rutledge said the individuals have been working seven-hour days for a year. "We tried to stop it, but no one gave us any support."

He added that only two or three office employees are working eight-hour days and that city hall employees take coffee breaks up to a half-hour in the mornings and afternoons. "I was told a year ago that I wasn't going to run the mayor's office or the police magistrate and other offices."

Mayor Davis was not present for the meeting, and Alderman Rufus LeMaster presided.

"We'll be getting a precedent," Alderman Donald Partney remarked. "We'll soon have requests for 35-hour weeks from all other departments—the firemen, policemen and street and sanitation department workers."

World Spur City Manager Alderman Charles Meyer said a 35-hour work week "would probably bring city manager (government) here quicker than

Alderman Robert Gaughan suggested the matter be turned over to the department heads. "If the work is not produced, then it will be up to him to do something."

"We still have a problem," Rutledge said. He pointed out that only about two of the city hall office workers put in eight-hour days at present.

Alderman's Question

Alderman Mrs. Gabrielle Beline asked if men employees were working eight-hour days and was told by LeMaster that they were. She suggested an investigation be made to determine the workday of all men and women employees who did not get pay increases.

Alderman Paul Von Schmittou remarked "Let 'em ring a clock. That'll solve the problem. Then any alderman can walk in and check the time cards and see if eight-hour days are being worked. They do it in industry."

"I'll make that a motion," he added.

Wierzer said the added work of checking time records might result in the need for hiring more clerical help. Comptroller John Doher said time tickets were being submitted to his office by part time hourly employees hired in the offices.

Alderman Robert Gaughan suggested the matter be turned over to the department heads. "If the work is not produced, then it will be up to him to do something."

"We still have a problem," Rutledge said. He pointed out that only about two of the city hall office workers put in eight-hour days at present.

Alderman Donald Partney said he knows other departments work eight-hour days, for he sees the street and sanitation vehicles leave the city garage each morning.

The final comment before a roll call vote was made by Alderman Samuel Whitner, who said, "If they won't work eight hours, then get someone who will... but I'm not for a time clock."

Vote On Time Clock

The time clock was approved by a 5-0 vote. Favoring it were Aldermen Nunn, LeMaster, Partney, Rutledge, Schmittou, Cammer Skulish, Samuel Shadelford, Basaich and Emerald Elford. Voting against it were Aldermen Meyer, Frank Neimeh, Whitmer, Mrs. Beline, Gaughan, Wierzer and Frank Venci.

The council did approve two other recommendations by the Finance Committee—to set the pay for the sewer clerk at \$311 a month, the same as paid the present clerk's predecessor and for part time hourly employees to be increased from \$150 an hour to \$171.25 an hour. The sewer clerk, who handles the Nameoki area sewer billing and payments, now receives \$170 an hour.

Bylaw Revisions Being Studied By C. Of C.

Revisions to bylaws and the current budget were approved Tuesday night by members of the Tri-Cities Chamber of Commerce board of directors who met Tuesday evening at the Rose Bowl.

Under the bylaws revisions, Maurice Dailey, chairman of the committee, reported the changes would give the C. of C. president ample time to select appointive board members prior to the annual membership meeting, and set the date for board elections for the second Thursday in September.

The revisions, subject to approval at a general membership meeting set for May 19, also provide for an advisory committee to be made up of past presidents, current officers and other individuals to be named by the president.

The mayors of the three local cities are to be honorary members of the C. of C. board during their terms of office, according to the revised bylaws.

B. C. O'Neill, program chairman, announced the annual "play day" for members will be held June 14 at Sunset Hills Country Club; and a report on pending federal legislation was presented by Richard Bromley, chairman of the Congressional Action Committee.

Samuel Meyer, president, was in charge of the meeting.

Teacher Qualified In Russian Hired In GC District

An instructor qualified to teach the Russian language was employed Tuesday night by the Granite City school board. The board had decided earlier this year to add Russian to the Spanish-German-Latin foreign language program if a teacher was available.

Robert Holder, 30, of 3116 Aubrey avenue is to teach English and Russian at the high school. A native of Madison, Holder was trained in the Russian language while serving in the armed forces. He graduated from Columbia University with a bachelor degree in 1958.

Also hired for Granite City high school was Mrs. Yvonne Dressel, 2615 Delmar avenue, who will teach English. She received a bachelor degree in 1958 from the University of Illinois.

Other New Teachers

Miss Dolores Harper, St. Louis, a 1960 bachelor degree recipient at Southeast Missouri State College, was hired to teach mathematics at the high school street junior high school; Ronald Dillard, 2706 Cayuga street, 1959 bachelor degree from Southern Illinois University, will teach physical education at Stalling's physical education teacher, and Miss Marcella Smith, Henryville, Ind., bachelor degree, will teach in the elementary schools.

Miss Smith has one year of teaching experience.

The board also approved the school administration's recommendation to hire Mrs. Esther Grammer, 4712 Vincent avenue, a four-hours-a-day cafeteria employee at Coolidge junior high school.

The board approved the retirement plans of Mrs. Ann Busch of Granite City, first grade teacher at the Mitchell school, and Miss Ruth E. Fletcher of Granite City, English teacher at Coolidge junior high.

39 Years In System

Miss Fletcher has taught in the Granite City school system for 39 years and Mrs. Busch has taught here for 25 years. They and three teachers announcing retirement plans last month, Miss Ruth Ingham and Misses Hetty and Daisy Pick, are to be invited to the May 24 board meeting for presentation of certificates recognizing their records of service to the school district.

Resignations were accepted from Mrs. Sandra Bowler, Stallings physical education teacher, and Miss Selma Romanin, Coolidge junior high cafeteria employee, who is retiring.

Edwin Merkelauch, Stallings principal, was listed as requesting a transfer to a sixth grade teaching position.

Mr. and Mrs. David E. Spengler of Santa Monica, Calif., are announcing the birth Tuesday of a son, their first child. The baby weighed eight pounds and has been named Jeffrey Blake.

The father is a son of Mr. and Mrs. Fred Spengler, 2549 Washington avenue.

C. of C. Ready To Begin Member Drive

A theme "Keep Granite City, Madison and Venice Growing" has been selected for the Tri-Cities Chamber of Commerce annual membership drive to be held May 17 and 18.

John Sedlack, campaign chairman, told C. of C. board members Tuesday evening that 100 workers will contact over 500 prospects in the two-day drive which will open with a breakfast at 8 a. m. May 17 at Cline's restaurant.

"The 'windup' meeting will be a breakfast on May 19, also being organized, Sedlack said.

Local Man Visited By Friend He Met In Laos

An old acquaintance was renewed early this week when Marvin Cornett, 1752 Venice avenue, met Captain Hem Darsing, commander of an army engineer depot in Laos, Indo-China, who was in Granite City inspecting the local engineer depot.

The two men met for the first time when Cornett, a heavy equipment mechanic at the Granite City Engineer Depot, was in Laos.

Teams for the drive are now being organized, Sedlack said.

Capt. Darsing is in America on an observer training mission and the depot here was his last stop before returning to his native country. He left for San Francisco Wednesday.

The two friends, and Mrs. Cornett, took a automobile drive Sunday seeing various local sights along the Mississippi River and Chain-of-Rocks canal.

MFT Funds Sought For Cayuga, Spruce, W. 22nd, State

Construction resolutions, seeking motor fuel tax funds from the state, are to be prepared for sections of four streets in Granite City — Cayuga street, Spruce street, West 22nd street and State street from the south city limits to 18th street. The state has given its approval to use of MFT funds for resurfacing 18th street between Madison avenue and State street.

Authorization was made during Monday night's Granite City council session for preparation of the resolutions, and Alderman Walter Nomm, who submitted Cayuga, Spruce and West 22nd streets, thanked aldermen for standing by him during the controversy over Cayuga street.

Nomm said he is seeking curbs and resurfacing of concrete street from Rook road to Leyden avenue, and is not asking that it be widened. His original proposal was for a \$100,000 project, later pared to \$50,000, and now reduced further through the elimination of widening.

Mayor Davis had said earlier this year he would veto the Cayuga street widening, resurfacing project in favor of using MFT funds to improve dirt streets in greater use — such as Johnson road. The mayor was not present at Monday's meeting.

Nomm pointed out that all

Melrose Drainage To Be Included In New Budget

A contract award for installation of a drainage line to serve the Melrose area is being held in abeyance until funds can be provided in the city's new 1961 budget.

Bids presented to the council were \$4077 by G. H. Steierberg & Co. and \$4555 by Sebold Trucking Co., and the council plans to enter into the contract with the low bidder.

However, opposition to the installation developed when Alderman Paul Rutledge questioned the fairness and legality of the project. He pointed out the North Granite area has long needed storm water drainage, and that in most other areas, the property owners pay for such installations themselves, since the value of their property is increased.

He also called upon City Attorney William Beatty for an opinion on spending tax money for a project to benefit one neighborhood. Beatty said it would be legal, if funds were appropriated in the city budget.

Alderman Emory Davis, who had originally requested the drainage line, said the problem had been caused by the installation of a new subdivision nearby and that the area was entitled to some city funds for improvement since it had no sidewalks and could not qualify for work under the city's sidewalk repair program.

Davis was joined by Alderman Frank Vesce, who stressed the urgent need for drainage to prevent storm water from "flowing through the homes." Other aldermen sided with Rutledge, with Alderman Charles Meyer saying capital improvement costs should be borne by the property owners, and those in Melrose had refused to go along with a proposal made by the city.

Alderman Walter Nomm commented that a drainage line along 27th street had recently been installed in Meyer's Seventh Ward with motor fuel tax money, which also was taxpayers' money.

A suggestion was made by the city engineer, it should no longer be necessary for the city engineer, who designed the Melrose survey work, to do such work. "We should get a refund from the other engineering firm," Partney remarked.

City Engineer Ad Kraemer said he had done some work for the East Side Levee & Sanitary District on a 48-inch trunk line for the Glenview subdivision, and other drainage problem presented to the city council Monday night.

\$80,000 Drarnshop Suit

Against Two Taverns

Thomas Donoff and Berry Jateff, both of Granite City, described as proprietors of the 15 Acres tavern near Mitchell, are among the defendants in an \$80,000 drarnshop suit on file in the circuit court at Edwardsville in connection with a fatal traffic accident May 7, 1930, on Route 87a one mile south of the Hartford canal.

Edgar Kitch, as operator of the Delmar Tavern at Hartford, is the other defendant. Plaintiffs are Mrs. Keoma Miner for herself and as administratrix of the estate of her late husband, Herbert Miner; and the co-defendants three minor children, Robert, Carol and David. Miner was a laborer at the Alton Boxboard Co.

The suit alleges that Miner, after drinking at the two taverns on May 6 and 7, drove his car north on 67a, veered over the center line and suffered fatal injuries in a collision with another auto. Each of the four plaintiffs asks \$20,000 for loss of support.

Club Hears Girl Scout Aims, Needs Discussed

A detailed description and explanation of the program, being undertaken by the Tri-City Girl Scout Council were outlined by adult Girl Scout leaders who spoke before members of the Granite City Kiwanis Club Monday evening.

Alex Schenckhoff, chairman of the Girl Scout camp fund drive, which will continue through May and has an established goal of \$30,000, spoke on "the new phase in local Girl Scouting," which is concerned chiefly with camping. Schenckhoff said the local council's camping program has grown from back yard outings to its present Camp Lakota site near Glen Carbon, which contains 30 acres and a lake, plus a partially completed lodge. The drive chairman said the council is seeking \$30,000 to purchase kitchen equipment and lodge furniture and to complete improvements to the lodge building and pump house.

Contributions are needed from industry, clubs and individuals. He said to supplement the fund raised from the United Fund, which go almost entirely for council administration.

Camping Important

Mrs. Dolores Eubanks, an adult leader, told the Kiwanites that the camping phase of the Girl Scout program accomplishes three important things—it stimulates the girls' interest in nature and outdoor life; contributes to the physical, mental and spiritual well-being of the Girl Scout.

Solon Cautions City On New Purchases

A word of caution was given Granite City council members Monday night by Alderman E. A. Von Schmiltz, who urged that all equipment purchases be delayed until the 1960-61 city budget is adopted.

Schmittz gave warning after the council had authorized calls for bids for a new "jeep" for insect spraying equipment and a new power mower for weed cutting.

The council also authorized installation of two new fire hydrants at Sunbury and National avenues and at Wilson avenue and Mayville road, subject to approval by Fire Chief Elijah King.

Accepted by the city was a gasoline generator for the city hall building, donated by the Civil Defense organization. Alderman Casner Skubish said the unit would be suitable for operation of police radio equipment and city hall lights. Bids are to be sought for wiring the generator for operation.

Venice Schools Accredited With North Central Group

The Venice school system has again been approved by the North Central Association of Secondary Schools, Supt. John O. Pier told members of the Venice board of education Monday night. Pier has received a letter from the association to the effect that the school system meets standards set up as a basis for approval.

Notification of approval by the NCA came after members of the Association visited the Venice schools and made a series of tours last month.

The board voted to authorize board members and the superintendent to attend a meeting of the Southwestern division of the Illinois Association of School Boards next Tuesday evening in Sparta.

Panels Of Interest
Board President Lester Salen noted that two panels scheduled to be conducted at the meeting should be of special interest to Venice board members. They include a panel on salaries and salary schedules and another on federal aid to schools.

The Venice board is currently negotiating with teachers employed in the system on contracts and salary scheduling for the 1960-61 school year. A second meeting of board members and a committee of teachers and principals is pending, but no date was set.

Members of the board heard building committee Chairman Roy Musick report on recommended improvements at the Lincoln grade and high school.

New Building In GC Last Month Tops Half-Million

New construction in Granite City last month exceeded a half million dollars as City Building Inspector Earl Bloomquist and City Clerk A. J. Stevens issued 113 building permits. The total value was \$572,663.

The permits included 21 for new homes valued at \$293,600; 16 for commercial work costing \$193,455; 53 for home improvements amounting to \$35,044; 22 for garages and carports costing \$26,064 and one for locating a \$4500 house trailer on a vacant lot.

The above totals include the 36 permits issued last week for new construction valued at \$137,187, seven homes, 20 home improvement projects, five garages and carports and four commercial projects.

Outstanding permits for dwellings last week were Leo Walz Co. for a \$14,000 brick veneer with six rooms, bath and garage on Colgate avenue in Lueders Park Estates subdivision; and James Frey for a \$19,500 brick veneer with rooms and carport and garage at 2832 Grand avenue.

Henry Ross obtained three permits for homes to be erected on Devon Hill in Westchester subdivision. A \$10,000 brick veneer with six rooms, 1 1/2 bath and carport, a \$17,000 brick veneer with five rooms, 1 1/2 bath and carport, and a \$15,900 brick veneer with five rooms and bath. Victor Bozian obtained a permit to erect an \$8000 frame home and Rino Zurkuben a \$5000 frame house at 2727 Myrtle avenue.

Largest of the two commercial permits went to First Granite City Savings Loan, 1625 Grand avenue, to erect a 254x139 foot brick and concrete block addition at its east end of 1625 Grand avenue.

Over 300 persons are expected to attend the dance and variety show which will feature Mexican and other nationalities' folk dances. The Mexican Honorary Commission is sponsoring the fiesta which will cost 90 cents for adults and 50 cents for children.

Home improvement permits were issued to the following: A. E. Elbrecht, \$1800 for aluminum siding at 2404 Grand avenue; M. H. Wolfe & Co., \$1400 to raise and replace porch at 2251 State street; Buell Cotten, \$1000 for a porch at 2221 Lynch avenue; Alvin C. Highsmith, \$1000 for remodeling at 2431 Washington street; J. C. Brannan, \$1000 for siding at 2707 1/2 Cayuga street; Edwin Hawk, \$1000 for a porch at 2620 Hodges avenue; Robert Bridges, \$1000 for aluminum siding at 2405 Franklin avenue; John Langen, \$2000 for a story porch at 2615 Grand avenue.

Robert Cole, \$1000 for a one-room addition at 2913 Cayuga street; Kenneth Jones, \$1000 for a one-room addition at 3019 Myrtle avenue; Victor Mount, \$500 for general repairs at 2634 East 25th street; R. T. Hill, \$798 for a porch at 2317 Iowa street; Mrs. Mary Hiller, \$259 for a porch at 2319 State street; William H. Brandes, \$500 for siding at 2011 Delaware avenue; E. B. Patton, \$180 for a porch at 2844 State street; Homer Stone, \$100 for general repairs at 2222 Missouri avenue; and Sacred Heart school, \$2000 for a fire escape; John Schuetman, \$1000 for a porch at 2013 Twelfth street; and John Moore \$150 to rebuild a porch at 2615 Grand avenue.

Permits for garages and carports went to Russell Skinner, \$2000 for a garage at 3045 Maryville road; Frank Davis, \$1000 for a carport and patio at 3006 Warren avenue; Alex Dumoulin, \$1000 for a garage at 9 Frontenac lane; and Bob Hanabarger, \$2000 for a carport at 2553 Boyce avenue.

Oris Stewart obtained a permit to move a building and place it over a new foundation at West 25th street and Bryan avenue at a cost of \$6000.

Fined On 3 Charges
Dean Robert Lee, 37, of 3810 Franklin avenue, who was arrested early Monday in the 3100 block of Carlson avenue, was fined a total of \$110 on Monday when he appeared before Police Magistrate Gasparovic and pleaded guilty to charges of assault, peace disturbance and disorderly conduct. The \$100 fine for disorderly conduct was suspended by the magistrate. The complaint was Mary Sudek.

Tank Gunnery Contestant
Army Pfc. Ronald F. Trebing, 21, son of Mr. and Mrs. John C. Trebing, 4217 Highway 162, participated with other personnel from the 4th Armored Division's 15th Cavalry in the Seventh Army tank gunnery competition held in Grafenwohr, Germany, last month.

No-Parking Zone Approved, Another Sought On Amos
A no-parking zone on Benton street, was approved Monday night by Granite City council members and another was proposed for the north side of Amos avenue between Franklin avenue and Johnson road.

The Benton street no-parking zone is on the west side extending from 19th street south to the alley at the city street department garage.

Alderman Frank Vesel said the Amos street zone is needed because parking of autos at the baseball diamond prevents persons living on the opposite side of the street from backing out of their driveways.

Permits for garages and carports went to Russell Skinner, \$2000 for a garage at 3045 Maryville road; Frank Davis, \$1000 for a carport and patio at 3006 Warren avenue; Alex Dumoulin, \$1000 for a garage at 9 Frontenac lane; and Bob Hanabarger, \$2000 for a carport at 2553 Boyce avenue.

MEXICAN MAY QUEEN will be crowned Saturday night from this group of five candidates at the Mexican Fiesta. They are, left to right, Misses Dolores Valencia, Sue Elaine Valencia, Angelina Ortiz, Mary Louise Gonzales and Anne Ortiz.

Mexican May Queen Coronation Saturday

Crowning of a Mexican May Queen will climax a dance and variety show at the Latin Quarter Saturday night as part of the Mexican fiesta celebrating "Cinco De Mayo," or May Fifth Day, the anniversary of the famous 1862 Mexican victory over the French in the "Battle of Puebla." The fiesta falls on the first Saturday after May 5.

Candidates for queen, chosen by a confraternity group from St. Joseph's Catholic Church and Misses Dolores and Sue Elaine Valencia, Angelina and Anne Ortiz, Mary Louise Gonzales and Anne Ortiz.

Over 300 persons are expected to attend the dance and variety show which will feature Mexican and other nationalities' folk dances.

The Mexican Honorary Commission is sponsoring the fiesta which will cost 90 cents for adults and 50 cents for children.

GC Township Salaries, Bills Total \$1306

Township bills and salaries approved by Granite City council members Monday night totaled \$1306, including \$780 from the town fund and \$520 from the relief fund.

Relief disbursements were \$75 for the relief office paid to William Baker, \$407 half-month salaries for three officials, \$35 paid to the Justice of the Peace Gerhard Mueller for April office expense and bond premium, \$20 to M. G. Reinhardt for April JP office expenses, \$100 for election expenses for the April 12 primary.

Two Requests For Commercial Zoning

Two zoning requests for changes from residential to commercial designations were received Monday night by Granite City council members and referred to the City Plan Commission.

George and Lydia Willardt are asking the R-2 residential classification for lots 2520-24 St. Clair avenue be changed to C-1 commercial, and Davis and Anna Nagy are asking for a lot at 24th and Benton streets to be changed from R-3 residential to C-2 commercial.

Willardt said his lots are now occupied by farm buildings that do not blend with construction in the new Glenview subdivision and that the property could be used for food markets, since there are none in the area.

A two-story brick building with a doctor's office on the first floor and living quarters on the second floor is planned by the Nagys for the 87-foot lot on the southeast corner at 24th and Benton streets.

Speeding Charge
Glen W. Sprankle, 41, of 3096 7th avenue, was issued an arrest ticket Monday at 26th street and Madison avenue by Granite City police on a charge of speeding. He posted his driver's license as bond.

Two Speeding Arrests
Two motorists were arrested Monday afternoon by Granite City police on charges of speeding and posted their driver's licenses as bonds. Walter L. Scrump, 33, of 2940 Wayne avenue, was issued a ticket at 27th and Iowa streets, and David H. Mustain, 24, of 1931 Grand avenue, was issued an arrest ticket on Pontoon road.

ILLINOIS POWER welcomes its 35,000th rural customer

Illinois Power Company's Service Area Manager at Sparta, Illinois, Mr. A. R. Cairns, happily presents a Gold Medalion Certificate to Mr. and Mrs. Albert Brandt. In requesting electric service for their new home six miles south of Red Bud, the Brandts became the 35,000th rural customer to be served by Illinois Power.

The Gold Medalion Certificate indicates that the Brandts' new home is truly built for better living... electrically. Not only is the new home adequately wired, but it is equipped with light-for-living illumination and a full set of modern electric appliances. And in addition the Brandt home will be heated with electricity.

It is our privilege to bring the convenience, the satisfaction, and the practicality of electrical living to our rural customers as well as to our city residential patrons. These 35,000 rural customers represent an important segment of our business.

Marine Pvt. Jack McWhorter, son of Mr. and Mrs. Jake McWhorter, 2687 Highway 87, Granite City, completed recruit training April 28 at the Marine Corps Recruit Depot, San Diego. It was announced today.

The 11-week course included instruction in all basic military subjects and infantry weapons. He will be assigned to a unit for further infantry training or to the Marine Corps school.

Bids Sought To Seed New Fire Station Lawn

Bids are to be sought for seeding 41,380 square feet of lawn at the city's new \$33,000 fire station at 23rd street and Madison avenue.

Alderman Estill Von Schmitt, chairman of the Fire and Water committee, recommended the lawn work be done before other landscaping work is started. The city also is seeking bids for shrubbery.

SPEND WEEKEND AT CAMP

Intermediate Girl Scout Troop 62 of Central Junior high school braved rain and cold weather during the weekend for a camp-out at Camp Lakota. The scouts slept in pup tents and cooked all their meals on an open fire with the use of firewood. The two nights and three days of pioneer camping represented one of the requirements the girls had to pass for the first-class badge. Highlights of the trip were a hike, led by Tom Shashek, a member of the Kiwanis of Glen Carbon, and fishing. Sunday morning church services were held for the girls by Vicar Ronald Jackson of the Concordia Lutheran Church of Granite City. The leader, Mrs. Pauline Beeler, was assisted by Mrs. Lillian Taylor and Mrs. Irene Puhse. Scouts who enjoyed the camp-out were Judy Rushing, Leona Odum, Charlotte Stajduhar, Connie Dean, Cheryl Stenle, Jo Ann Squires, Susanne Ashlock, Karen Bauer, Nona Jarvis, Margaret Litzner, Judy Puhse, Kathy Danner, Christine Taylor, Cheryl Jung, Kaye Nickell, Linda Treaswell, Judy Walton and Nellie Moeller.

Intermediate Girl Scout Troop 115 of the Emerson school celebrated its third birthday with an afternoon of bowling and dinner at a local restaurant during the weekend. Leaders, Mrs. Maxine Rutter and Mrs. Francis Bogdan, were accompanied by Linda Lee, Linda Wyatt, Linda Shaffer, Linda Willis, Phyllis Rosenberg, Katherine Kinchley, Carol Melton, Vicki Bogosian, Donna Rutter and a guest, Carol Bogosian.

Mr. and Mrs. Norman Gardner Jr. and children, Gary Lee and Scott Curtis, 2312 Orville avenue, spent the weekend at Iberia, Mo., as guests of Mr. and Mrs. Harold Shelton and family.

Examination May 14 For Venice Police Vacancy

A written examination for persons interested in joining the Venice police department will be conducted at 10:30 a.m. Saturday, May 14, at the Venice city hall. It was announced today by the Venice Board of Police Commissioners.

Application forms may be obtained from the office of City Comptroller Carl E. Byrnes, and applicants must be residents of the city of Venice. A list of eligible applicants is to be made up from those passing the examination.

Two vacancies were created this spring by a death and a retirement, and a probationary patrolman was appointed from the previous eligibility list. One vacancy for a probationary patrolman remains.

Values Of Faith Told To Toastmasters Club

Faith is a means to provide a person safely through a period of individual crisis, Herman Greve told the Granite City Toastmasters Club at its weekly meeting Monday night at Cline's Restaurant.
Greve's speech, "Faith," was awarded the prize for the best presented at the meeting attended 15 members. Other speakers and their speech titles were: Charles Wilbers, "How Is Your Initiative?" and Earl Tucker, "Lift For the Ladies."
William Cardwell was toastmaster of the evening. Charles Wiggins was general evaluator and Donald Trimmell was critic.
The automobile club of Michigan is known as the biggest in the world.
